

**Baybus
OnDemand:**
How to
download
& use
the app.

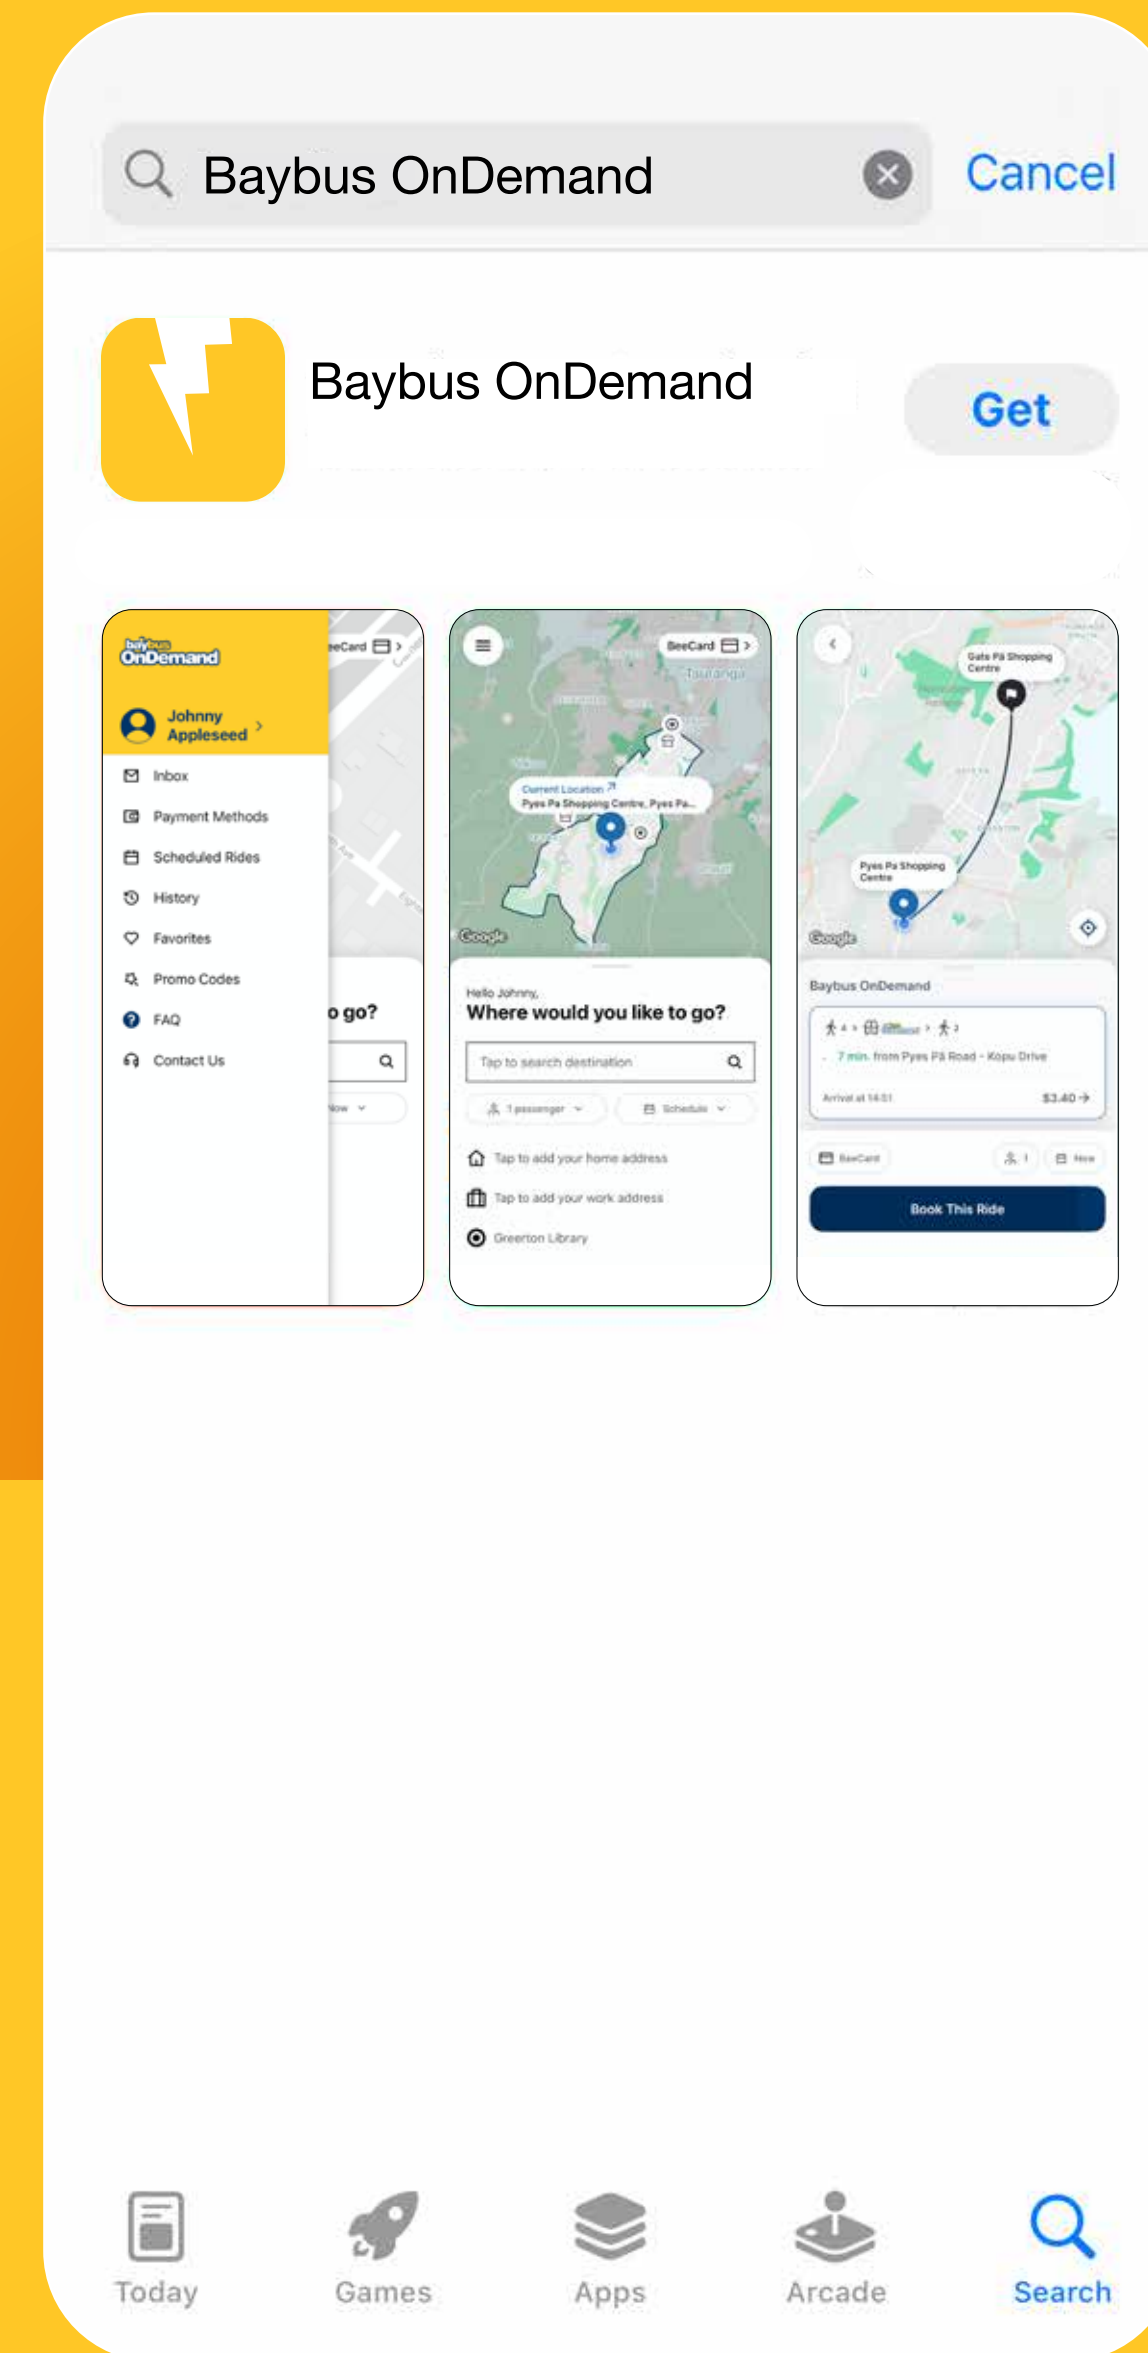

**baybus
OnDemand**

Baybus OnDemand offers personalised, flexible travel, allowing you to book rides according to your schedule directly from your smartphone.

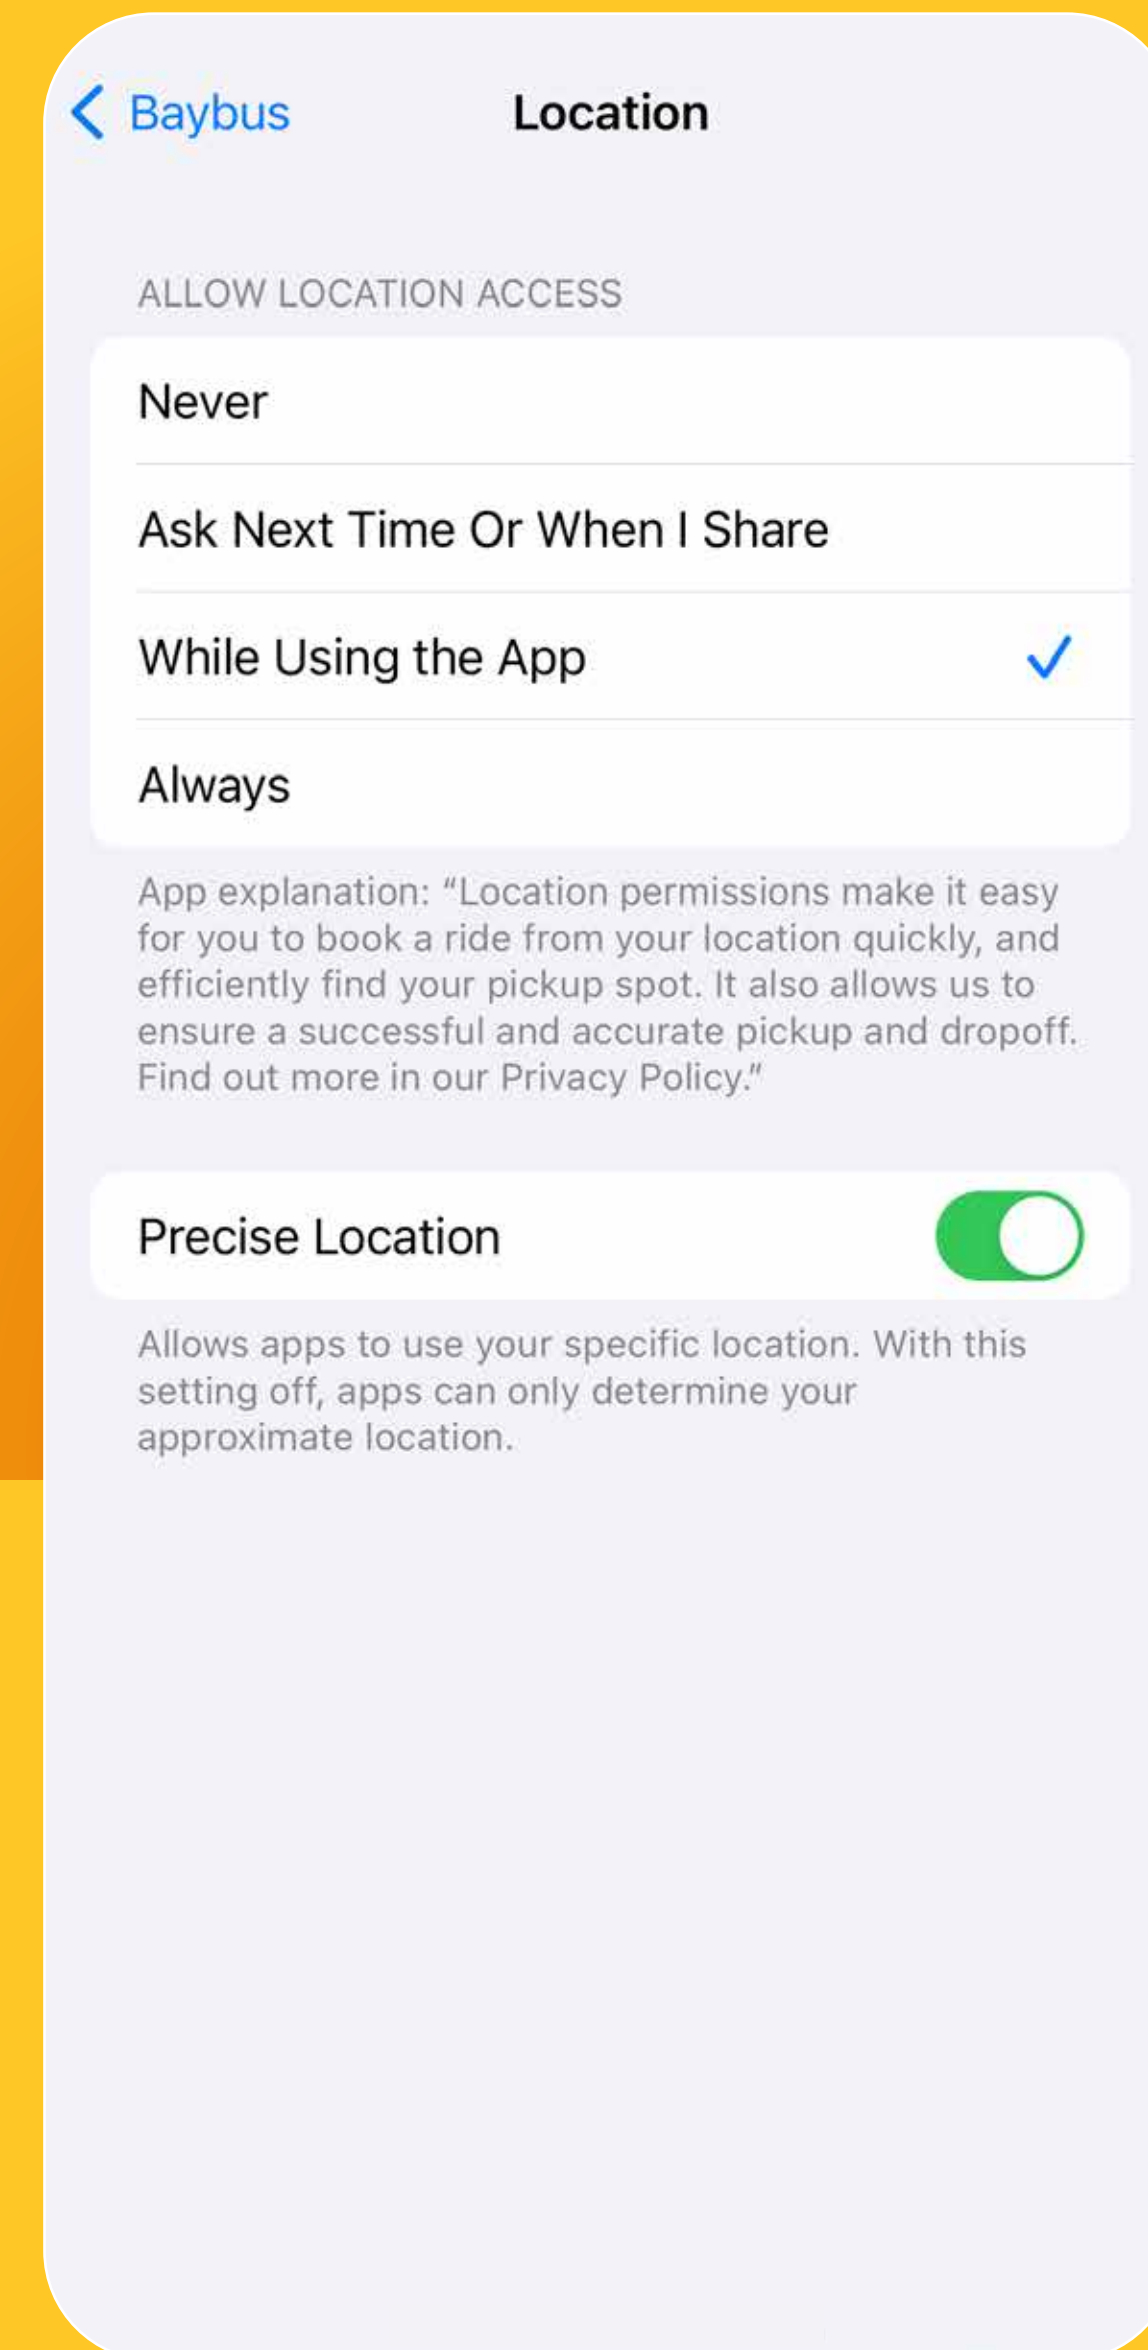

Step 1: Download the app.

Search for **Baybus OnDemand** in the App Store or Google Play.

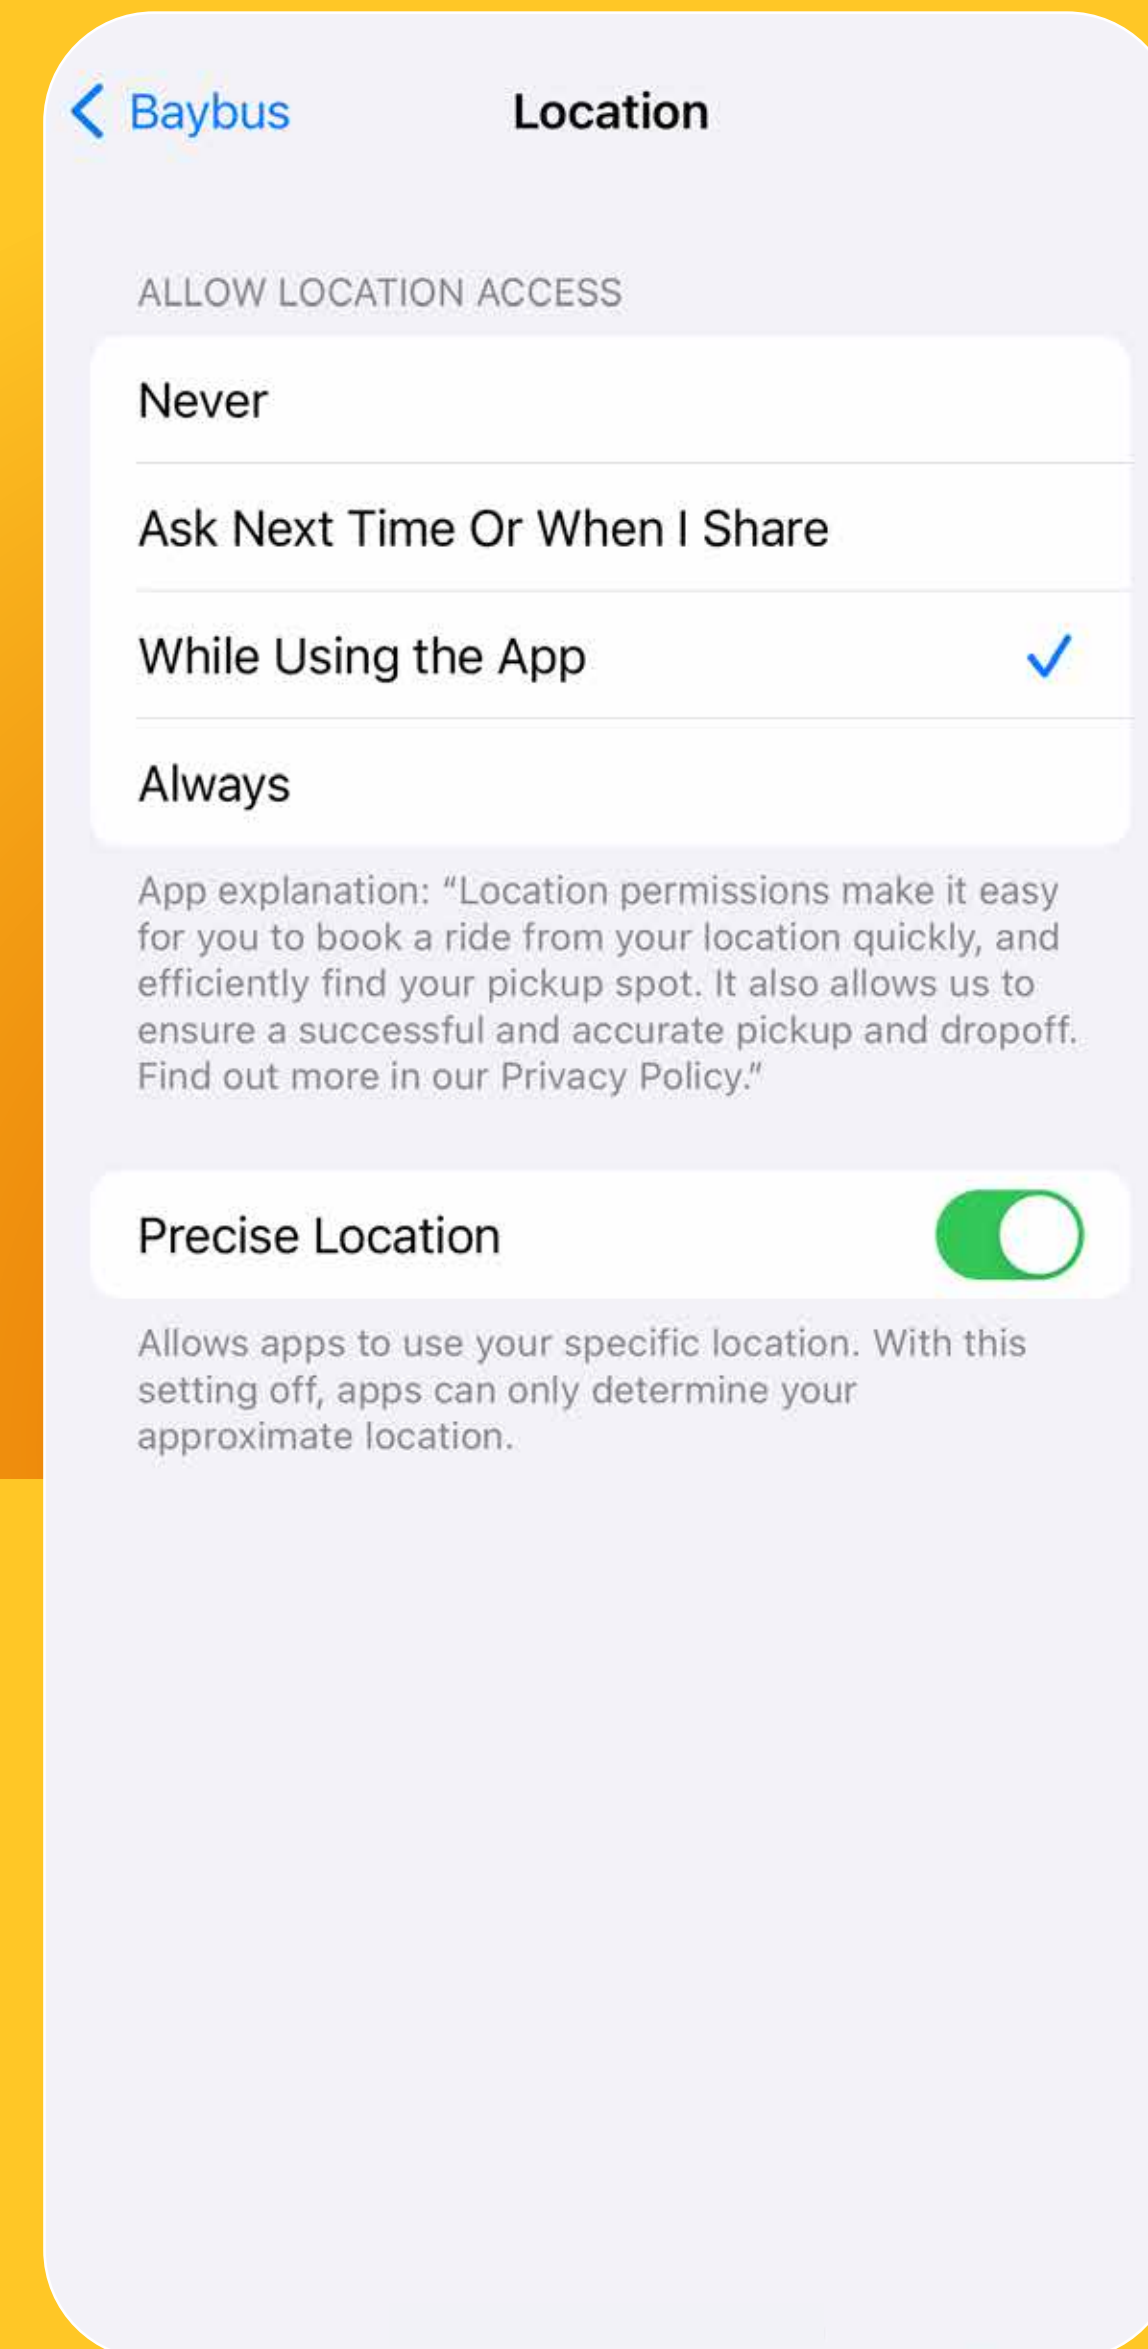

Step 2: Data & location.

Make sure your mobile data and location settings are switched to on.

If the app asks for permission to use your location and data, click **OK**.

Step 3: Getting started.

Open the app and
click **Get started** to
create an account.

Step 4: Account setup.

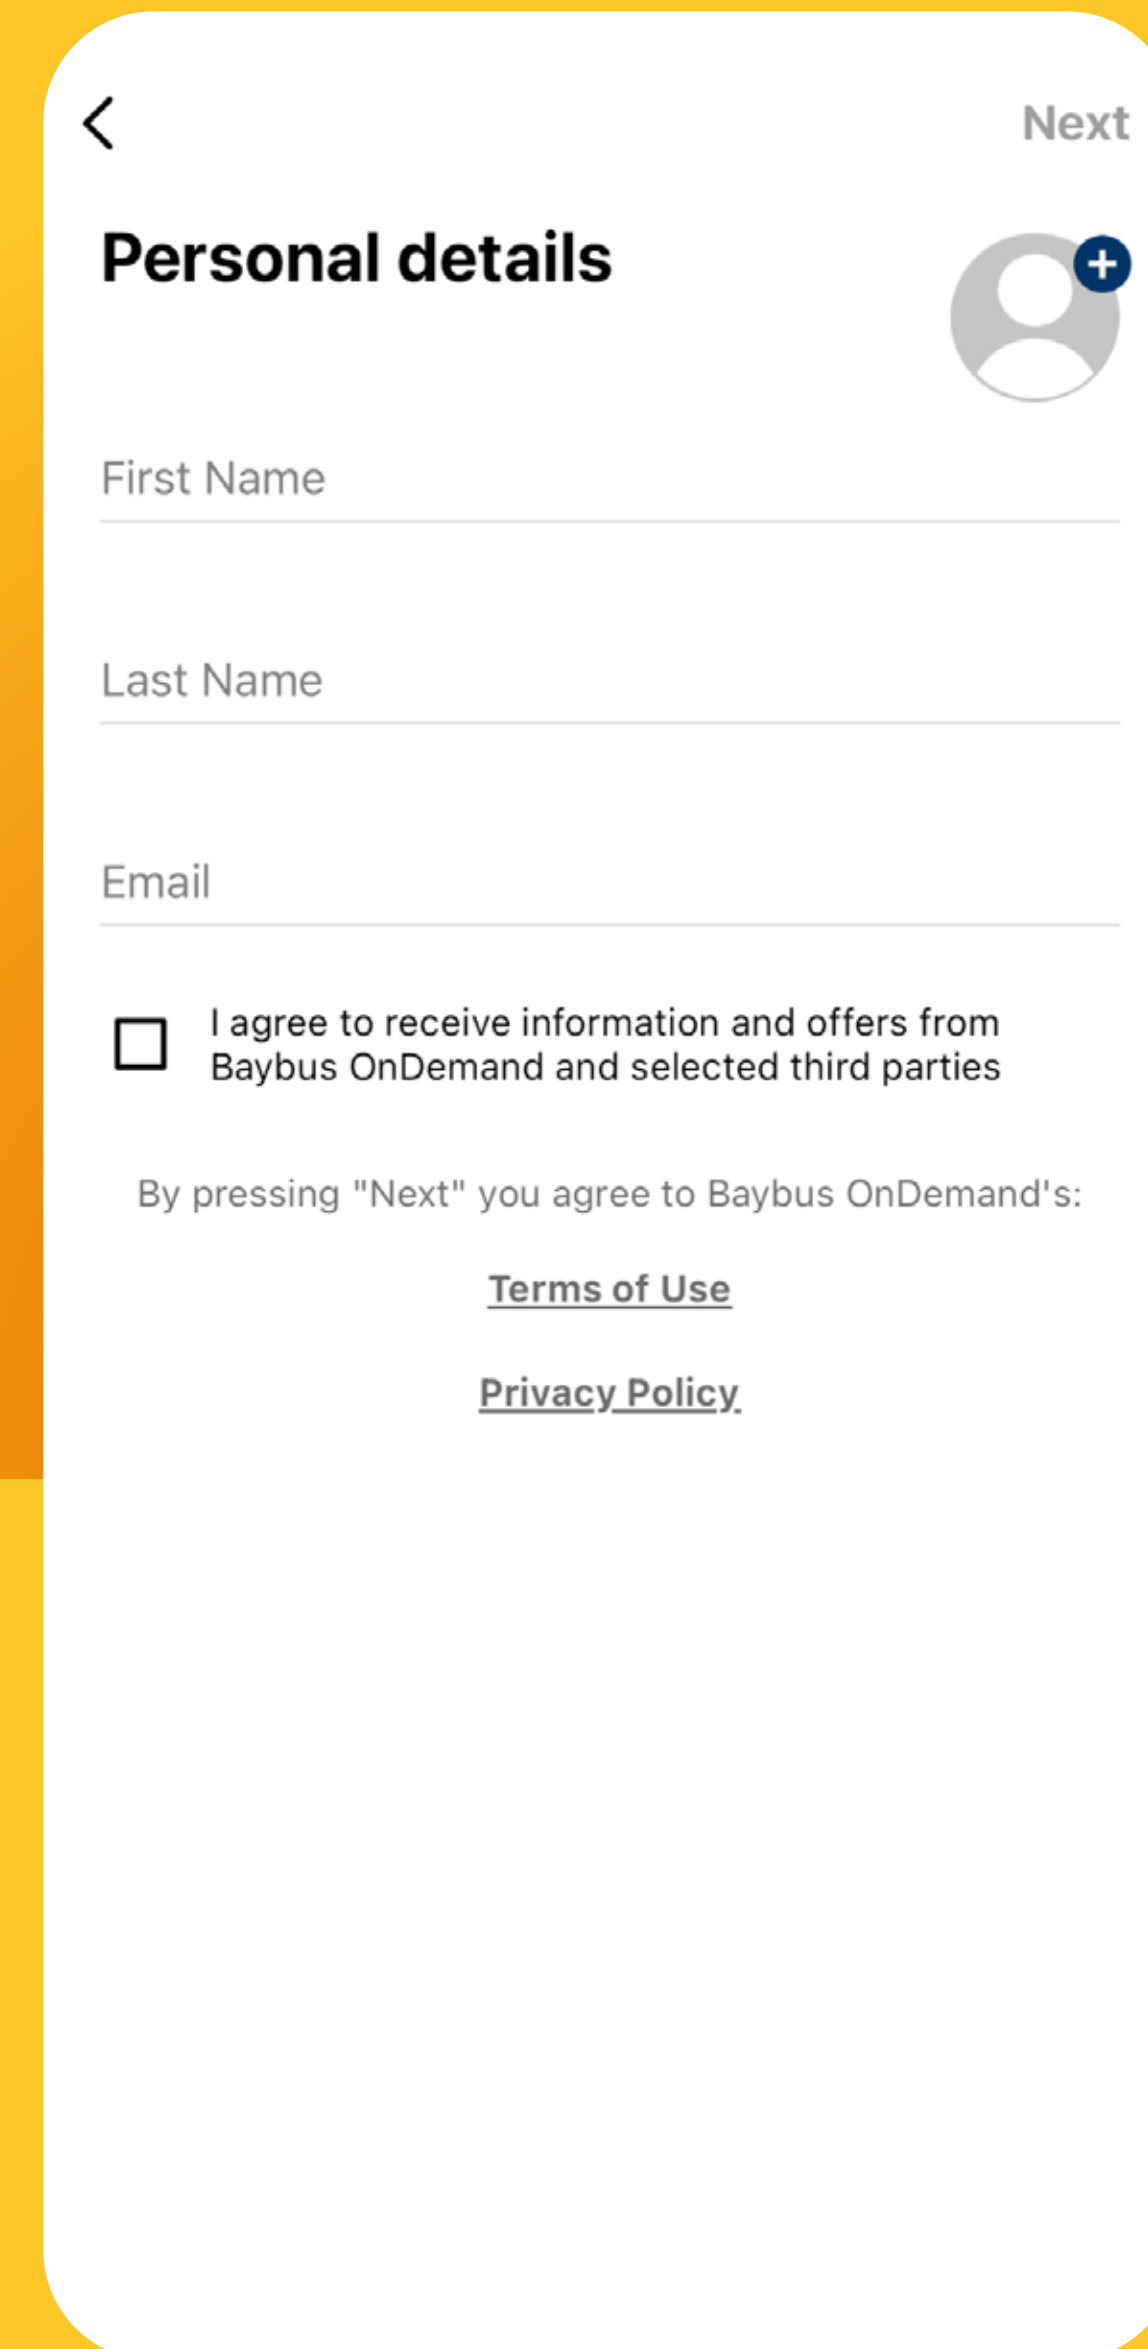

With your first
access, setup as
a new user.

The screenshot shows a mobile application interface for account setup. At the top left is a back arrow, and at the top right is the text 'Next'. Below this is the title 'Personal details' and a profile icon placeholder with a plus sign. The form contains three input fields: 'First Name', 'Last Name', and 'Email'. Below the fields is a checkbox with the text 'I agree to receive information and offers from Baybus OnDemand and selected third parties'. At the bottom, there is a line of text: 'By pressing "Next" you agree to Baybus OnDemand's:' followed by two underlined links: 'Terms of Use' and 'Privacy Policy'.

Enter your personal details as prompted.

Click **Next** to proceed.

The screenshot shows a mobile application interface for entering personal details. At the top left is a back arrow, and at the top right is the word "Next". Below the navigation is the title "Personal details" and a profile icon with a plus sign. The form contains three input fields: "First Name", "Last Name", and "Email". Below these fields is a checkbox with the text "I agree to receive information and offers from Baybus OnDemand and selected third parties". At the bottom, there is a statement "By pressing 'Next' you agree to Baybus OnDemand's:" followed by two underlined links: "Terms of Use" and "Privacy Policy".

Step 5: Payment details.

Enter your card details.

Payment Processor

Please select your payment method:

 Credit Card 

 1234 1234 1234 1234

MM / YY CVC

Save

 PAY WITH BEECARD

 Your credit card is only used to pay for rides

Click **Save** to secure your information.

You need to add a payment method. Either your credit card, debit card, or Bee Card will do.

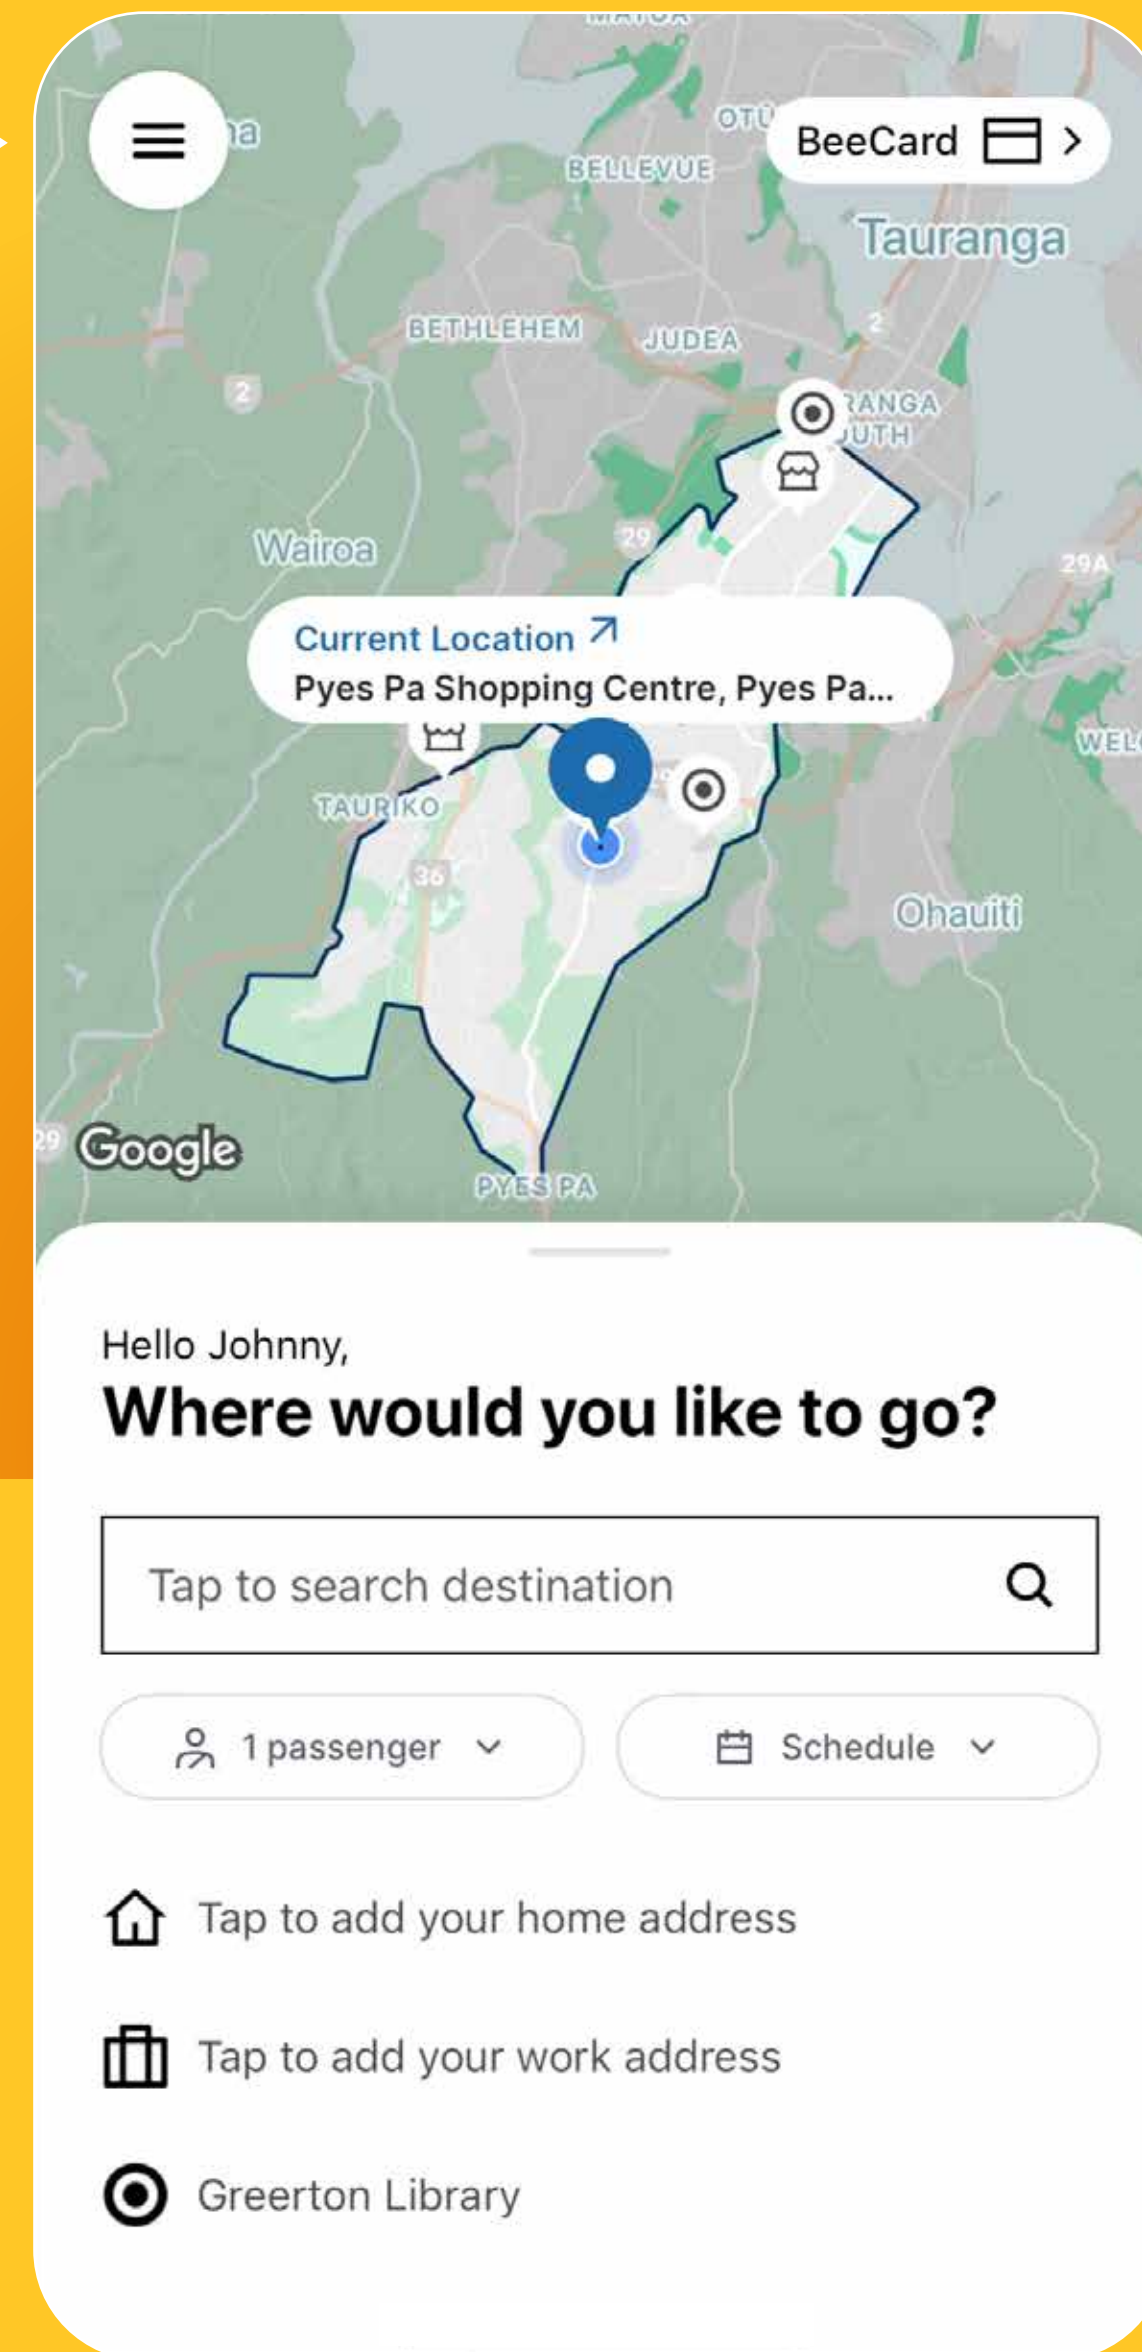

Step 6: Navigating the home screen.

You can book rides, change payment methods if you need to, and access the menu.

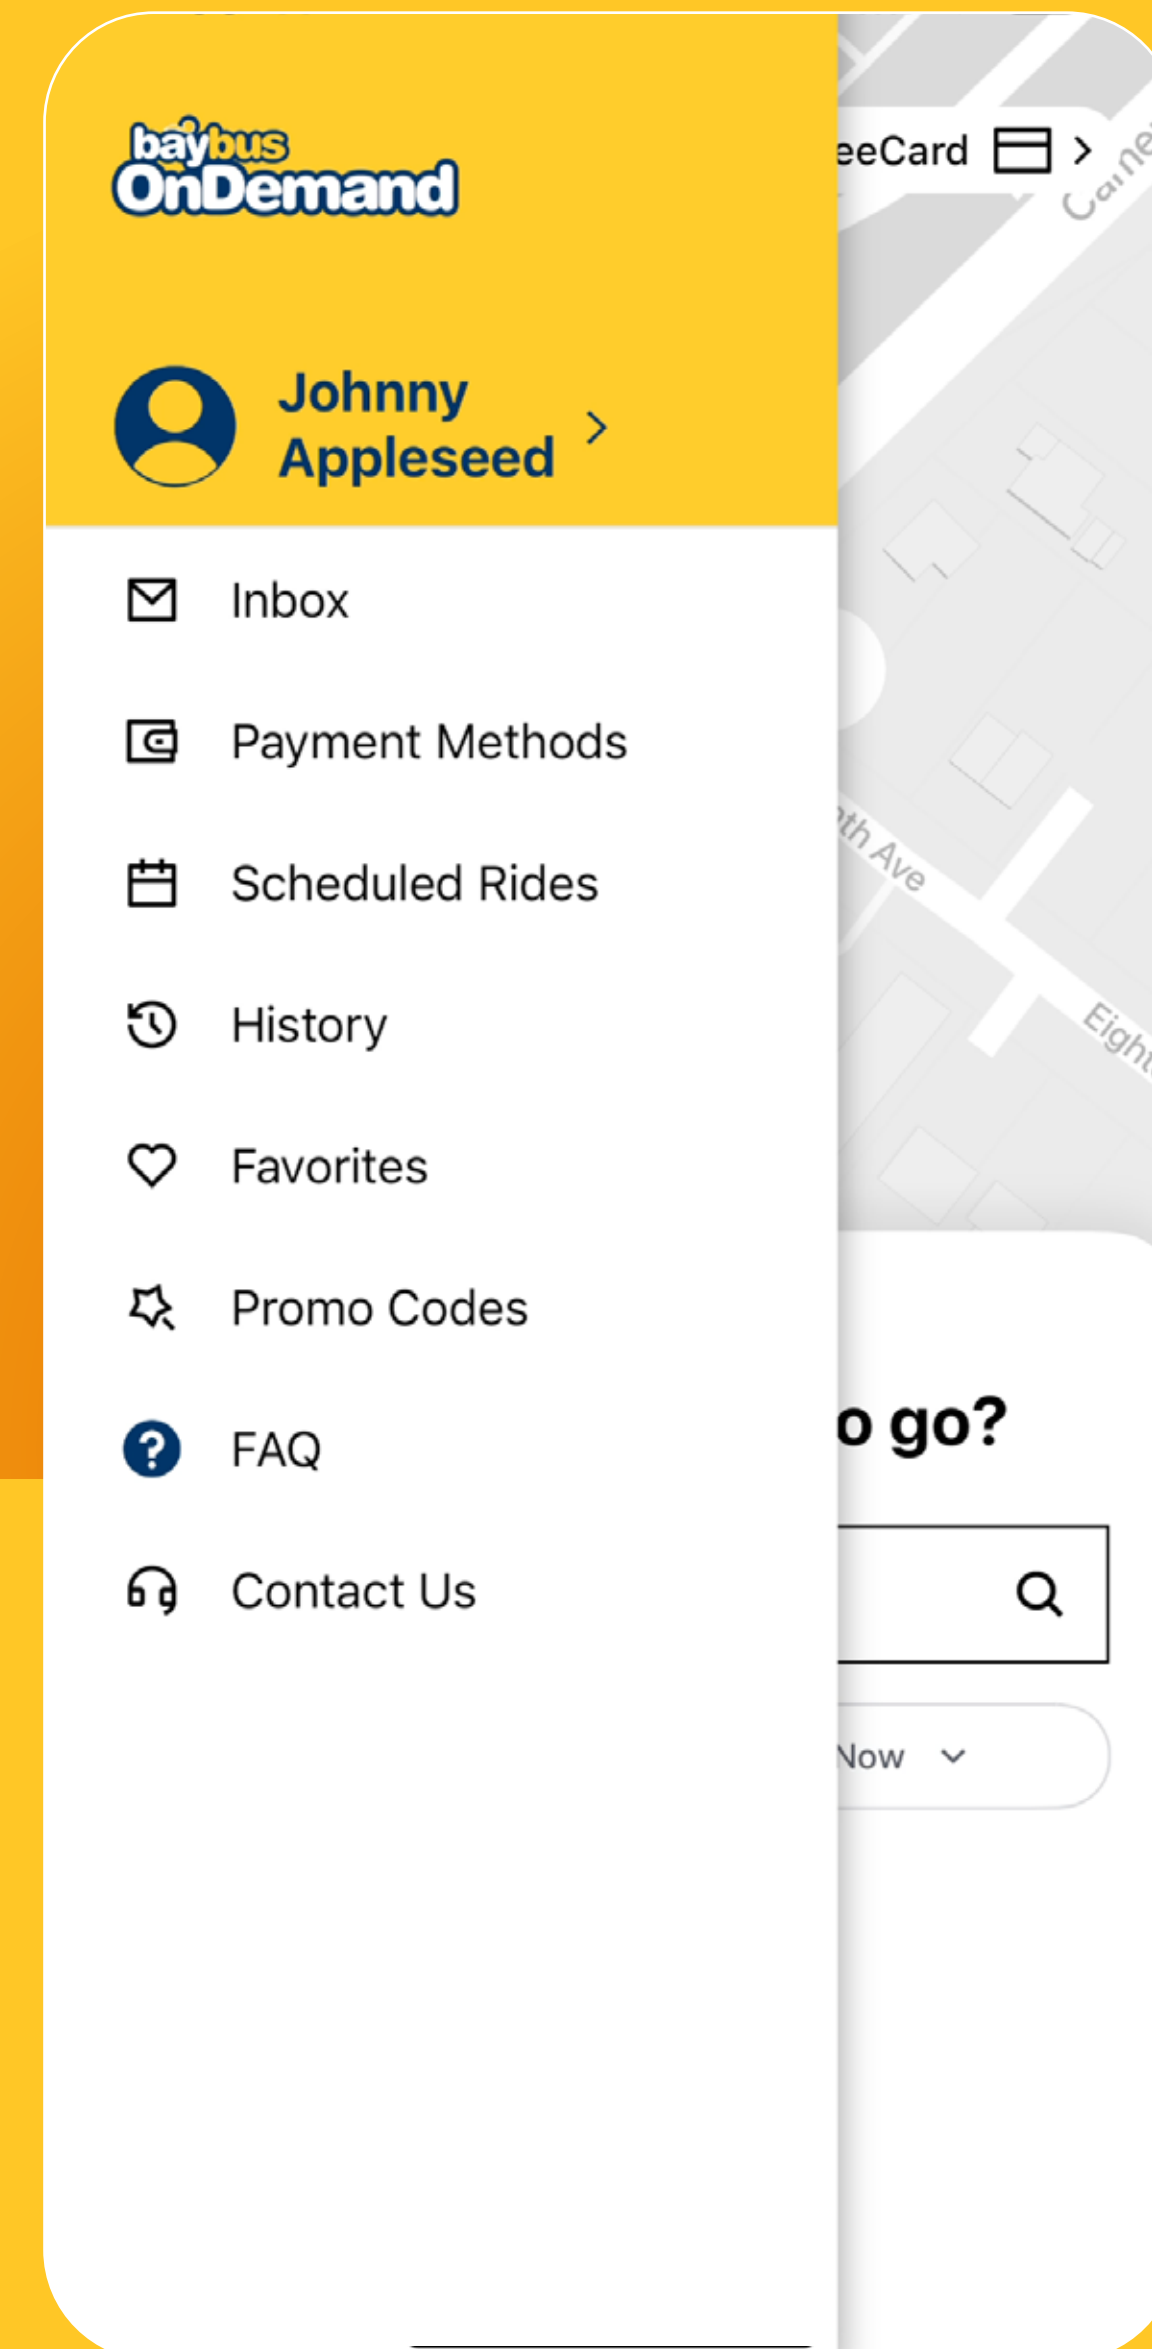

MENU

PAYMENT METHOD

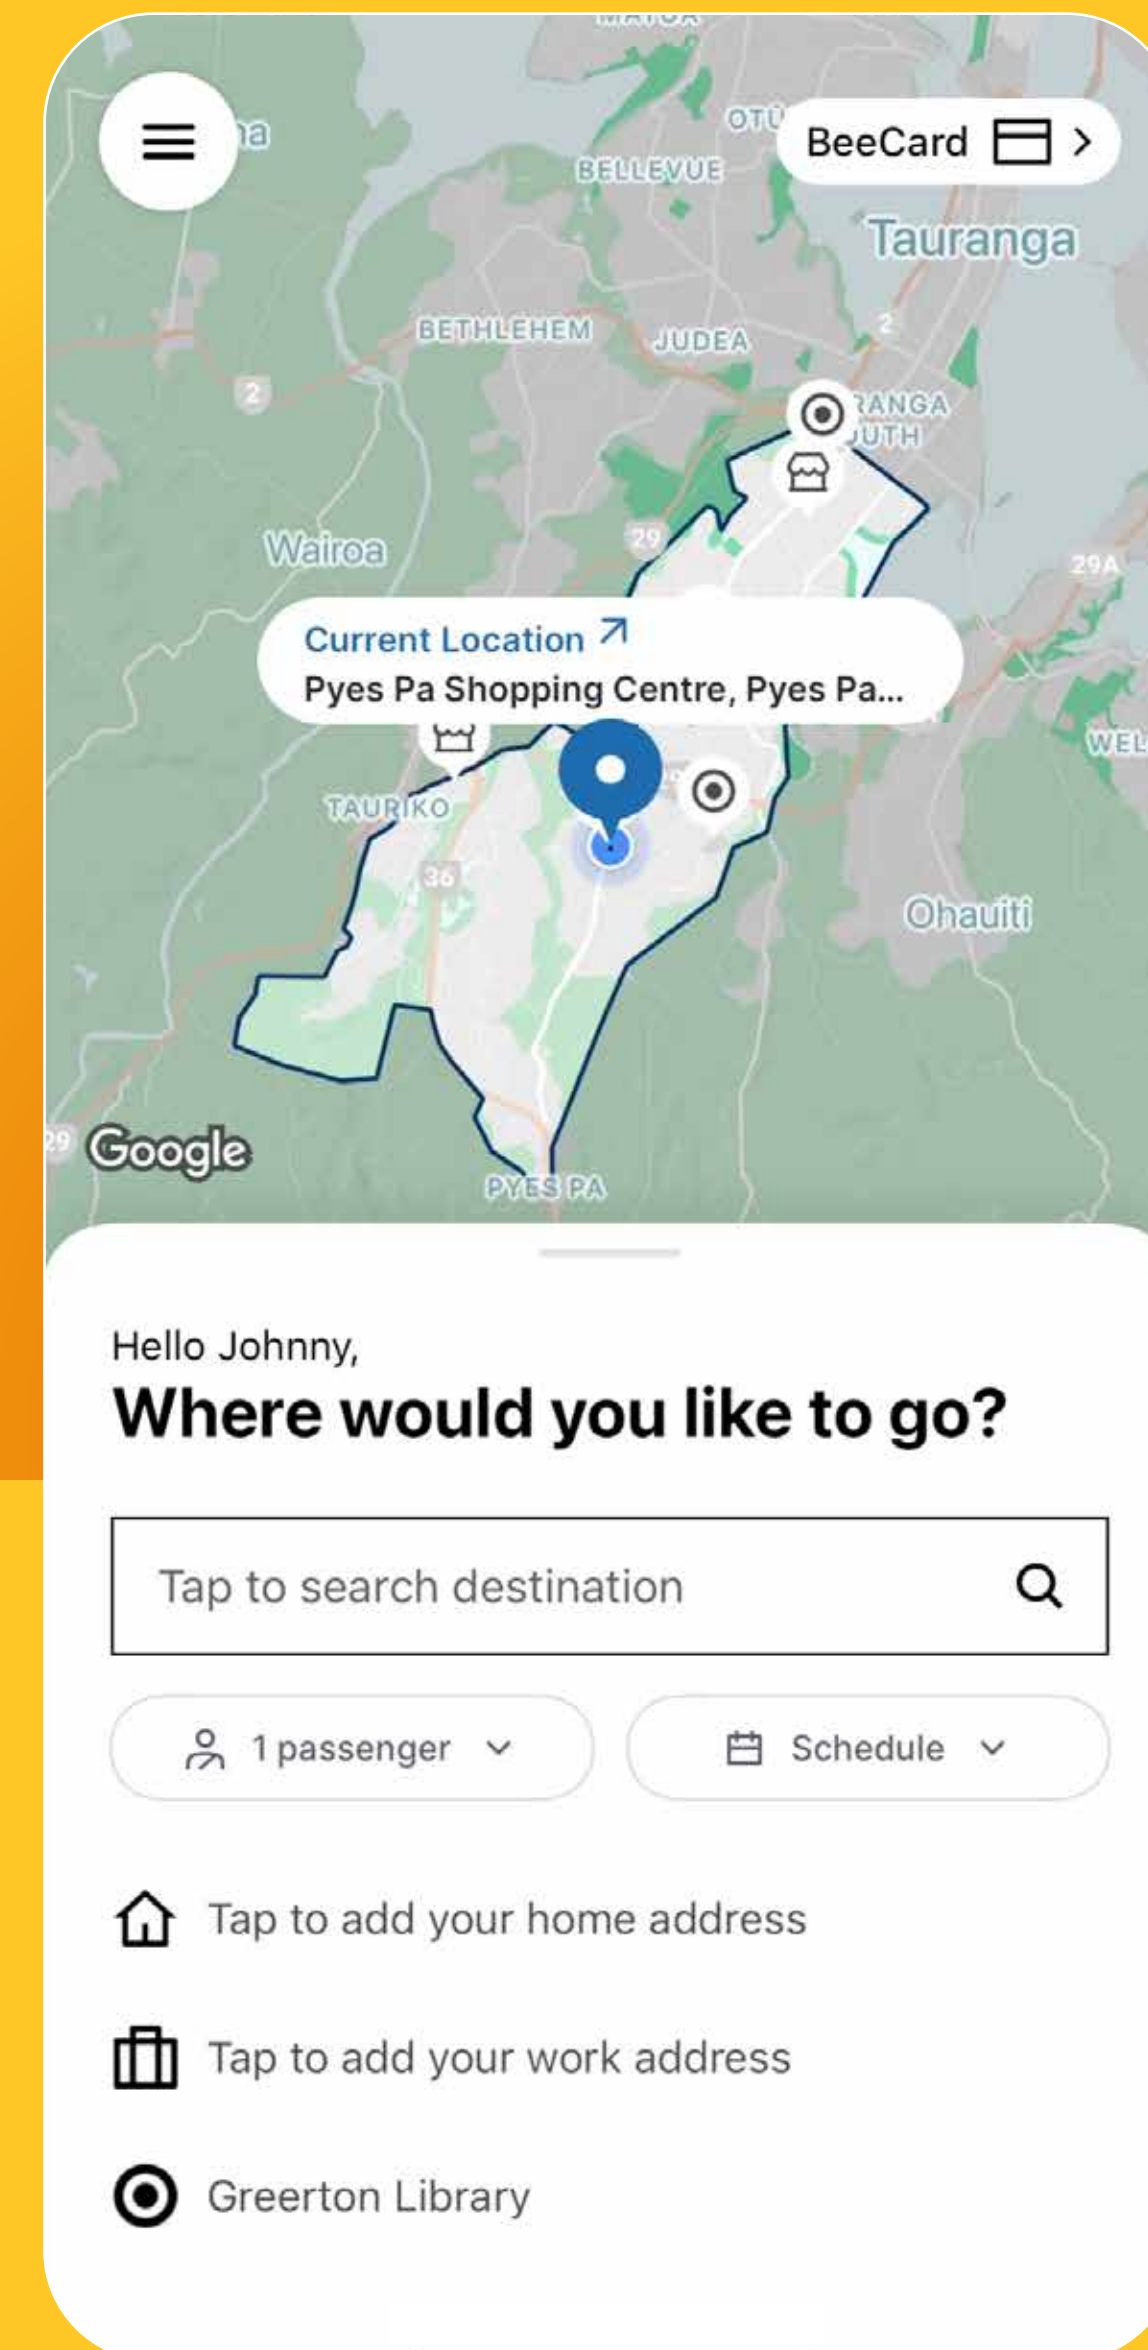

BOOK A RIDE

In the menu, you can find everything from your account settings and notifications, to contact information.

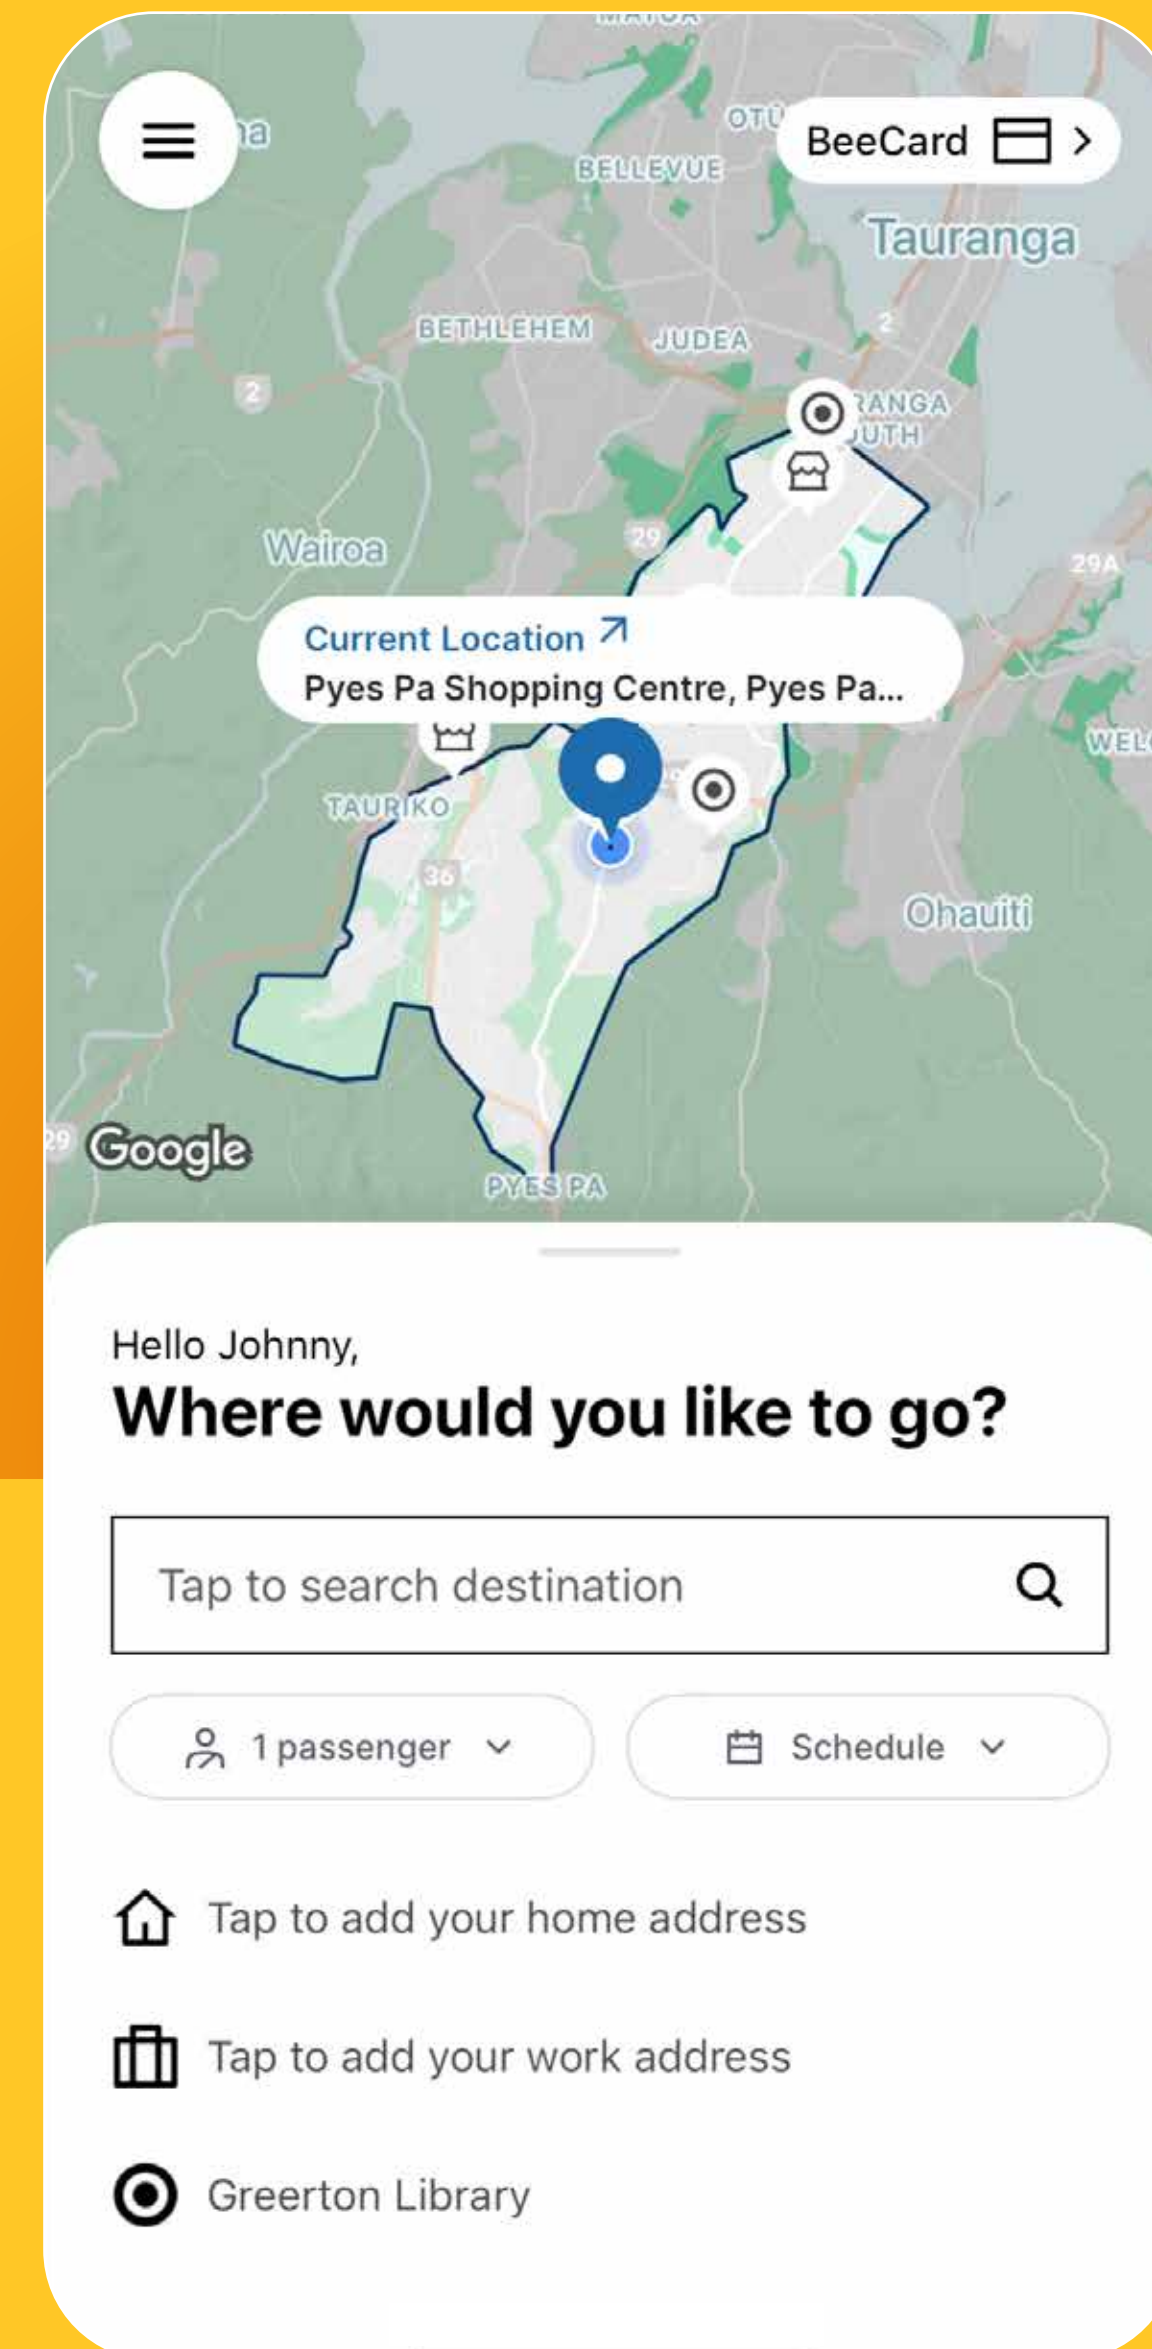

Step 7: Set pick-up location.

Use the map to pinpoint current location, or use the search bar to enter your address.

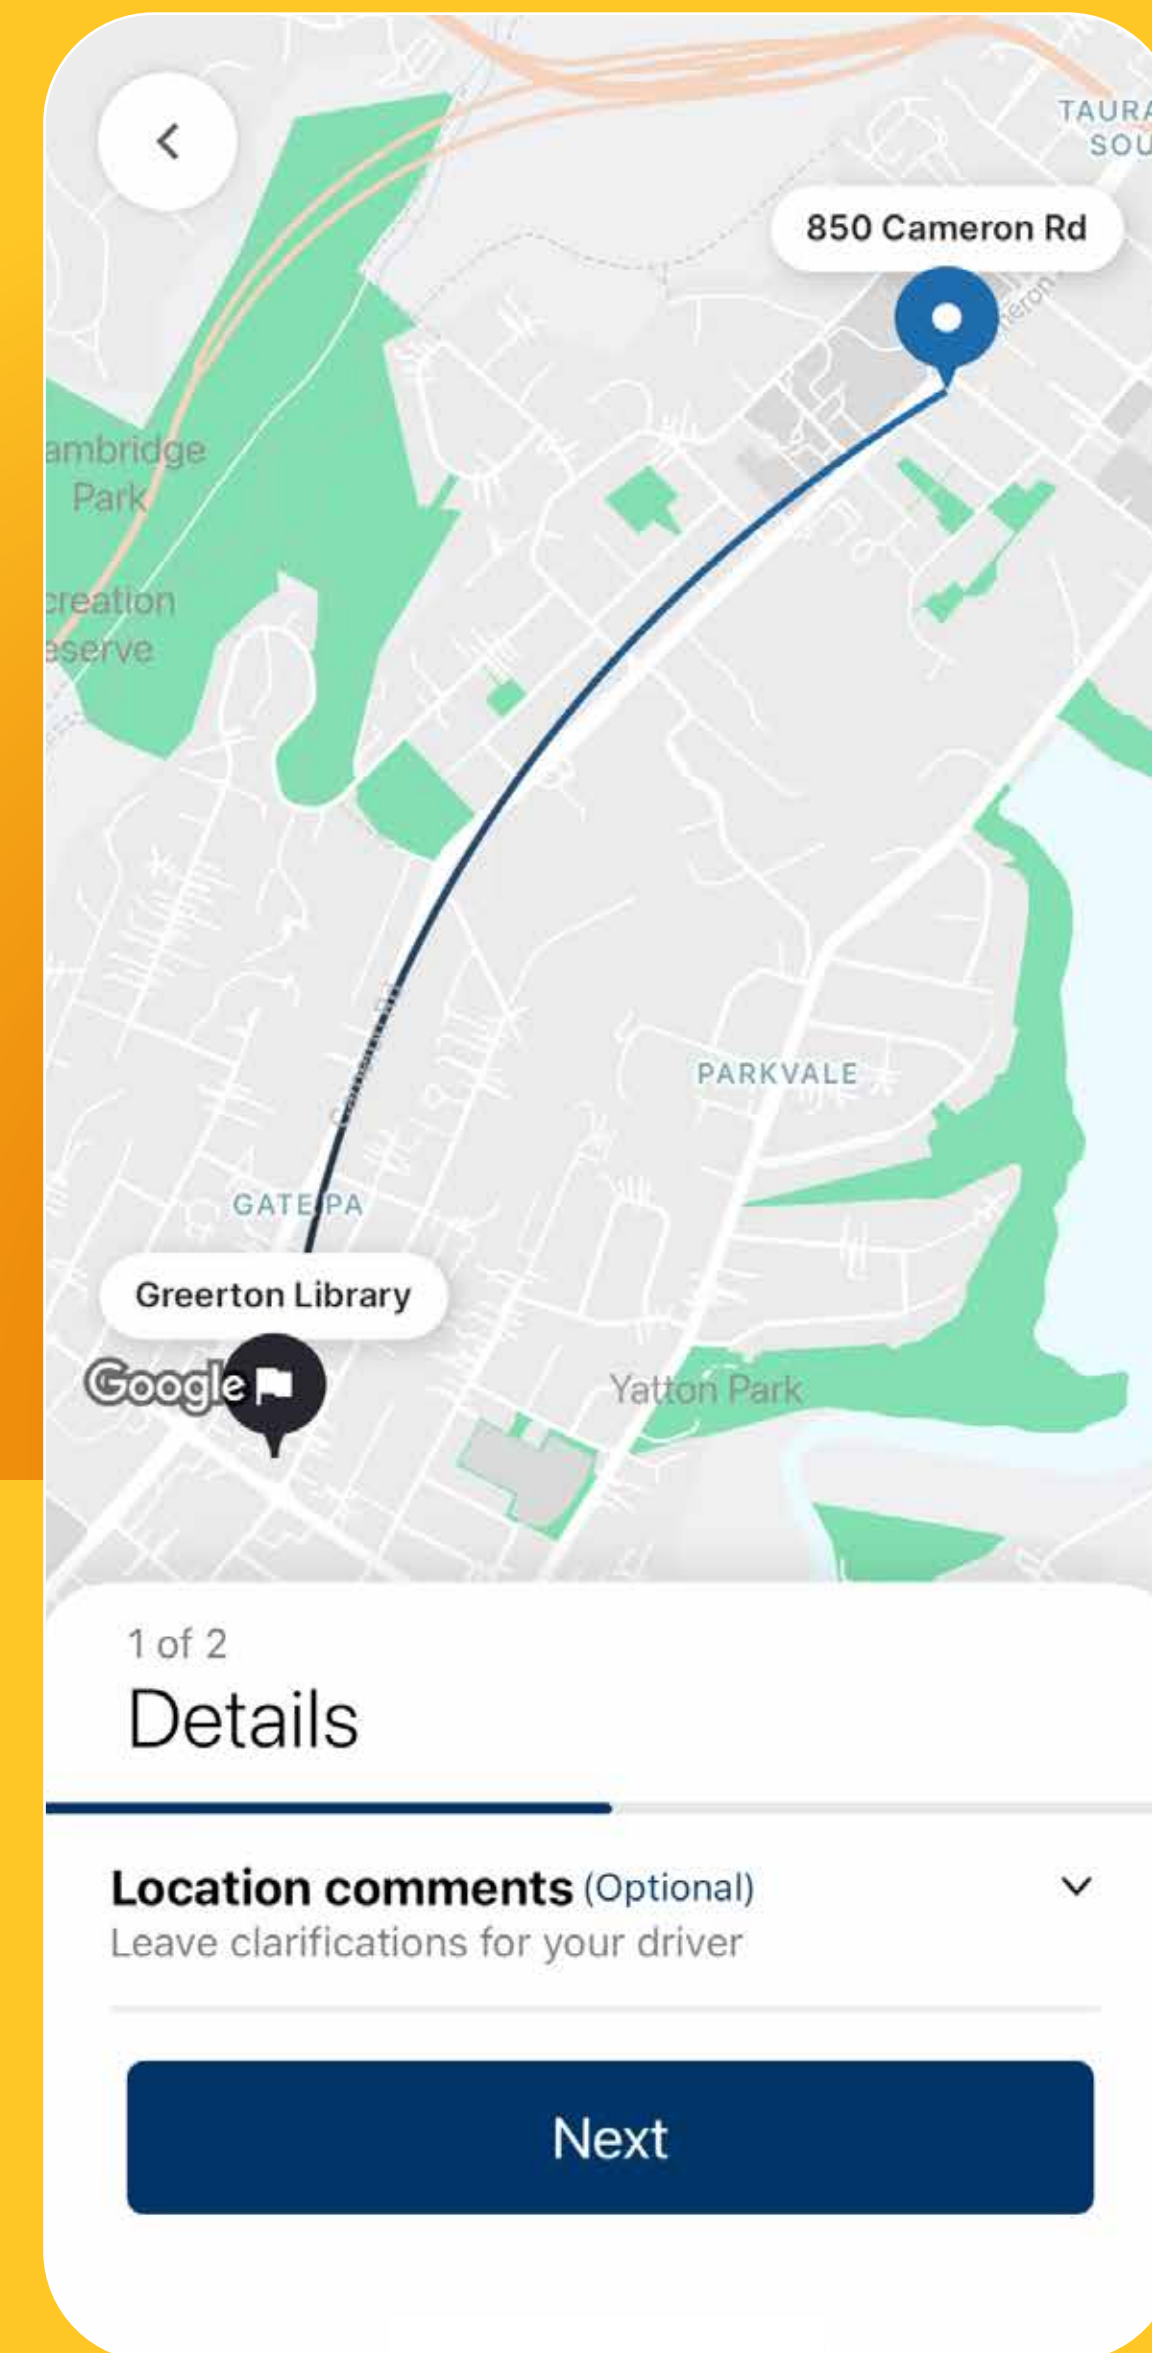

Confirm your location.

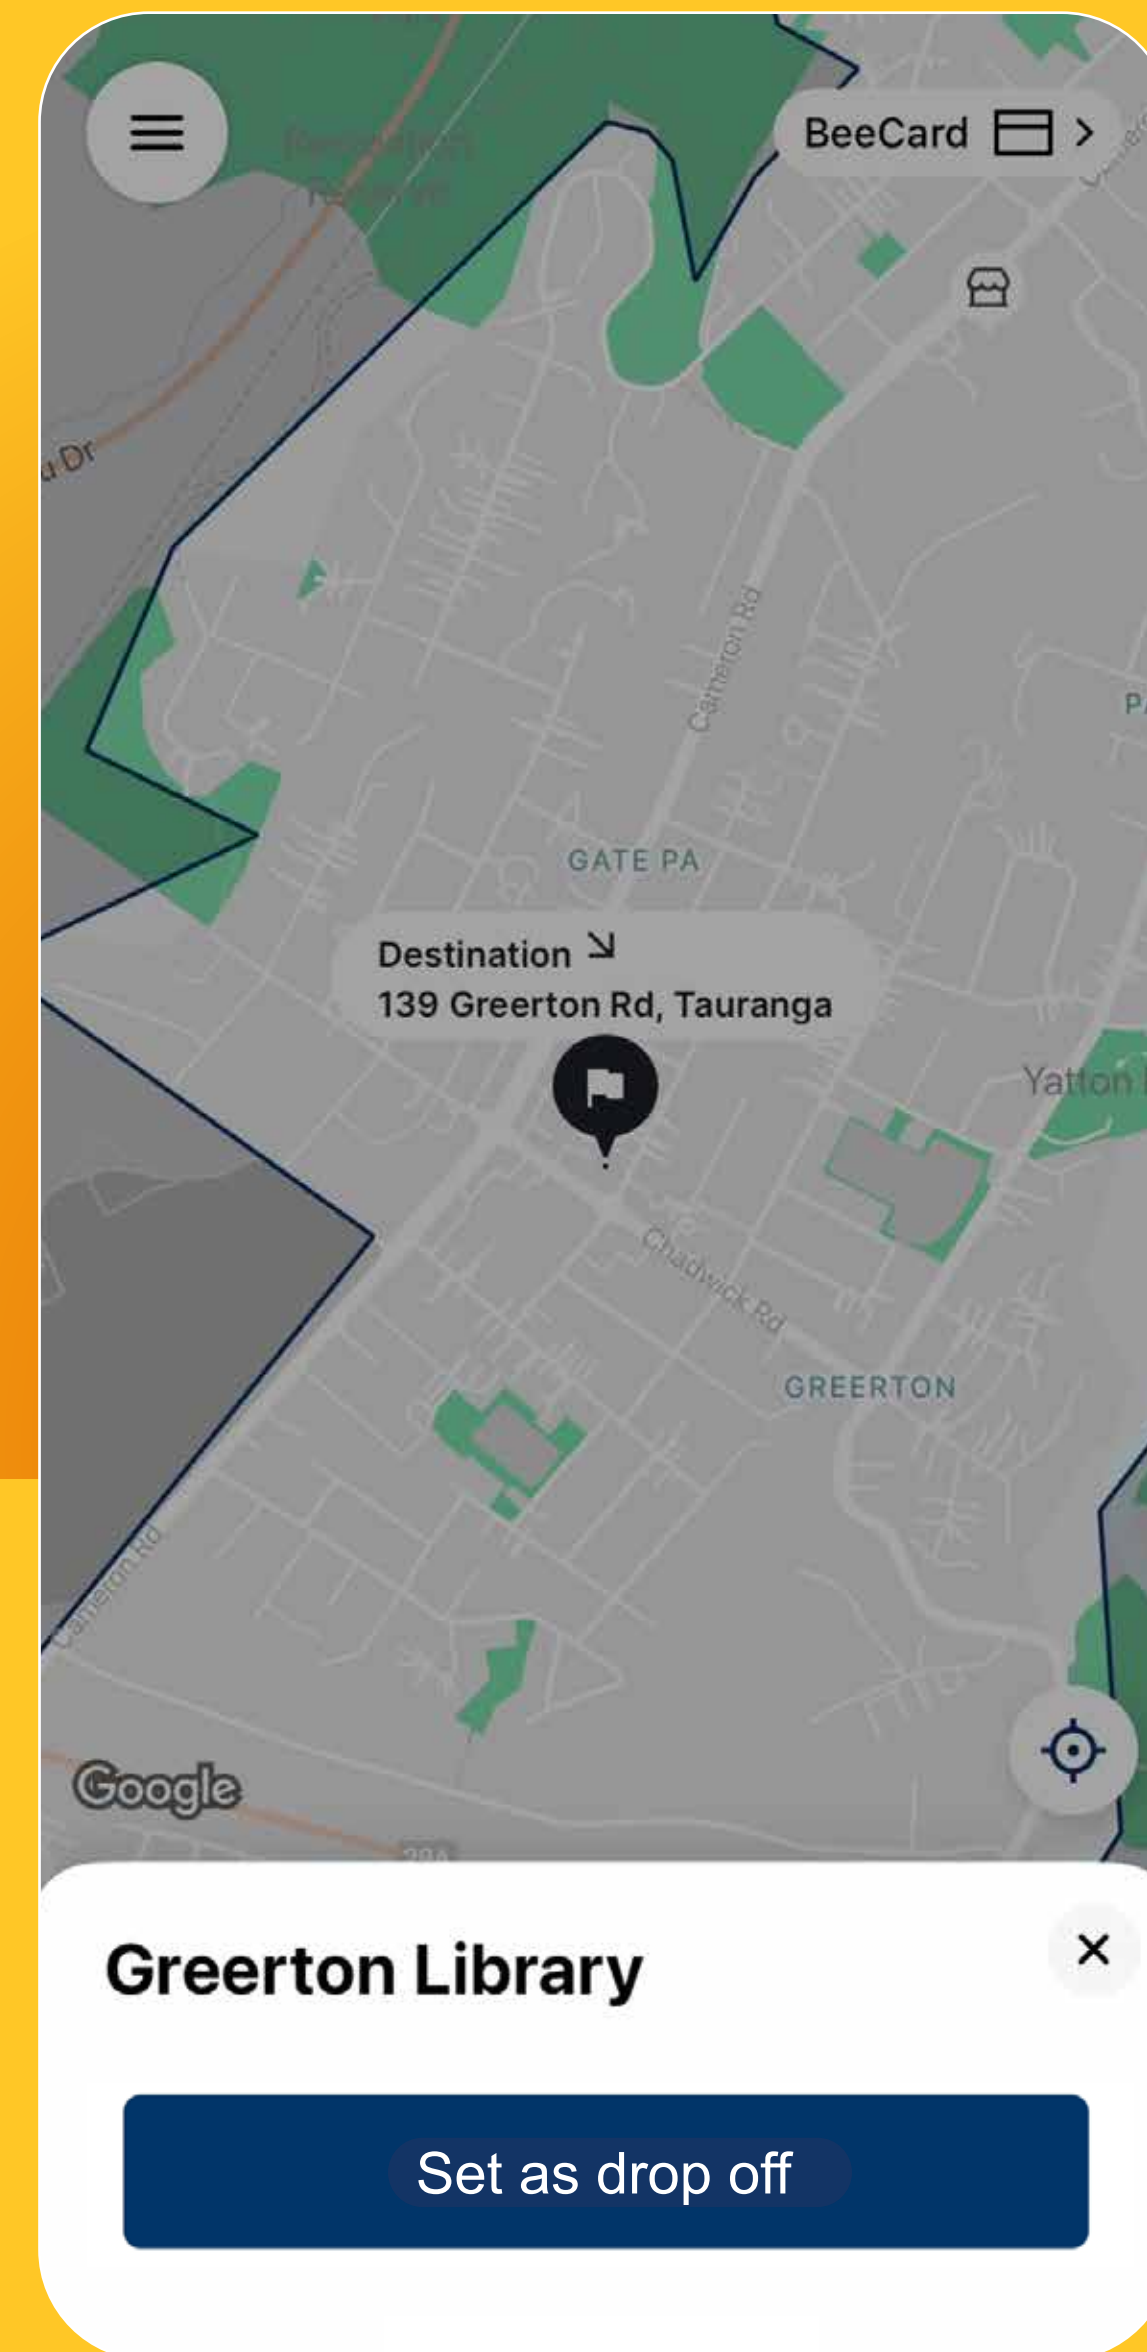

Step 8: Set drop-off location.

Use the map to pinpoint destination, or use the search bar to enter your address.

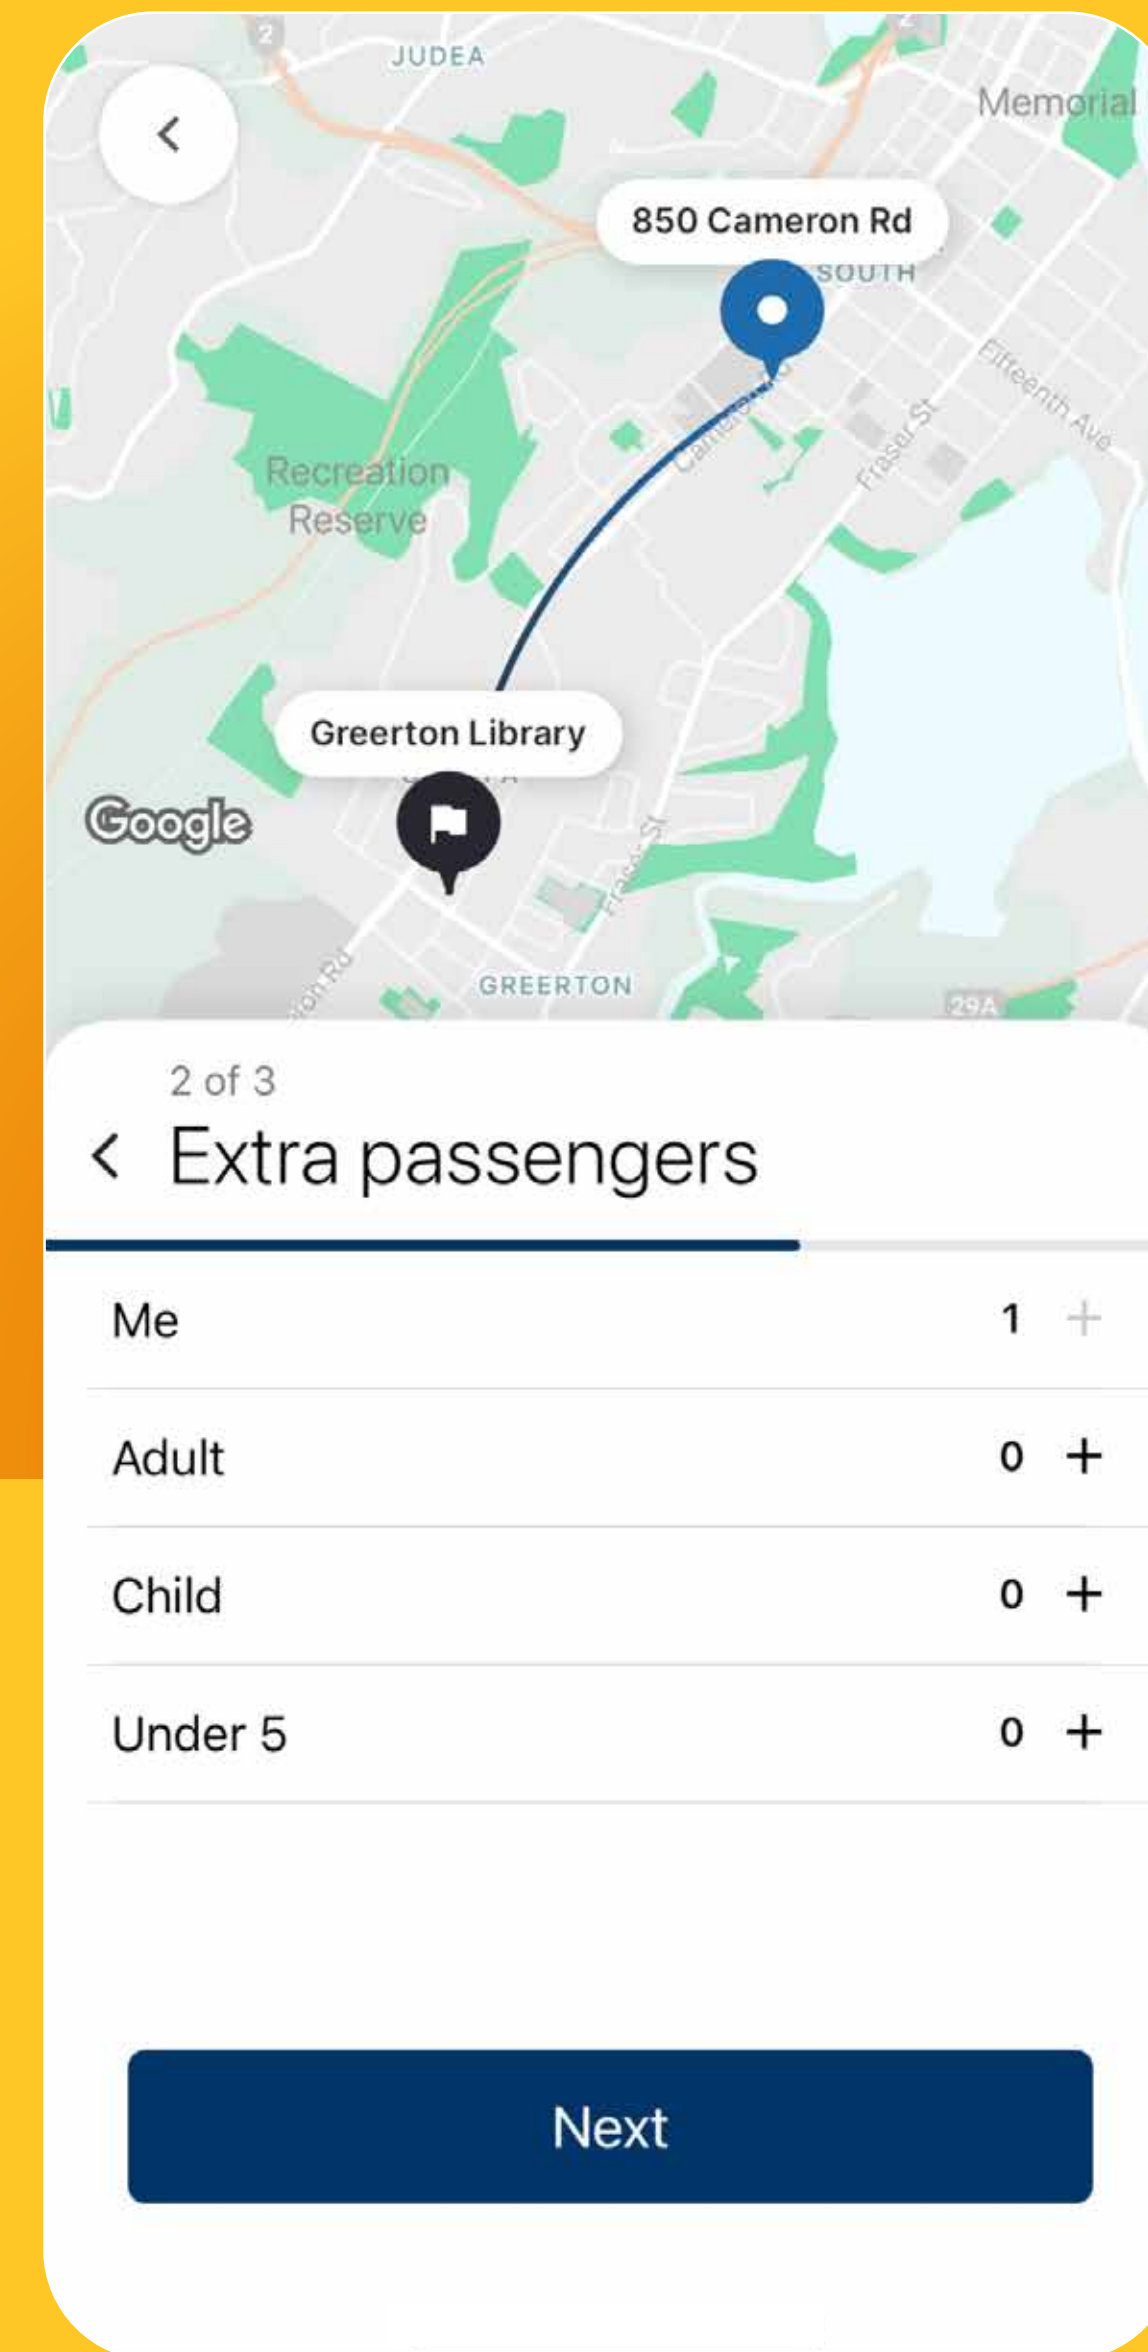

Confirm your selection.

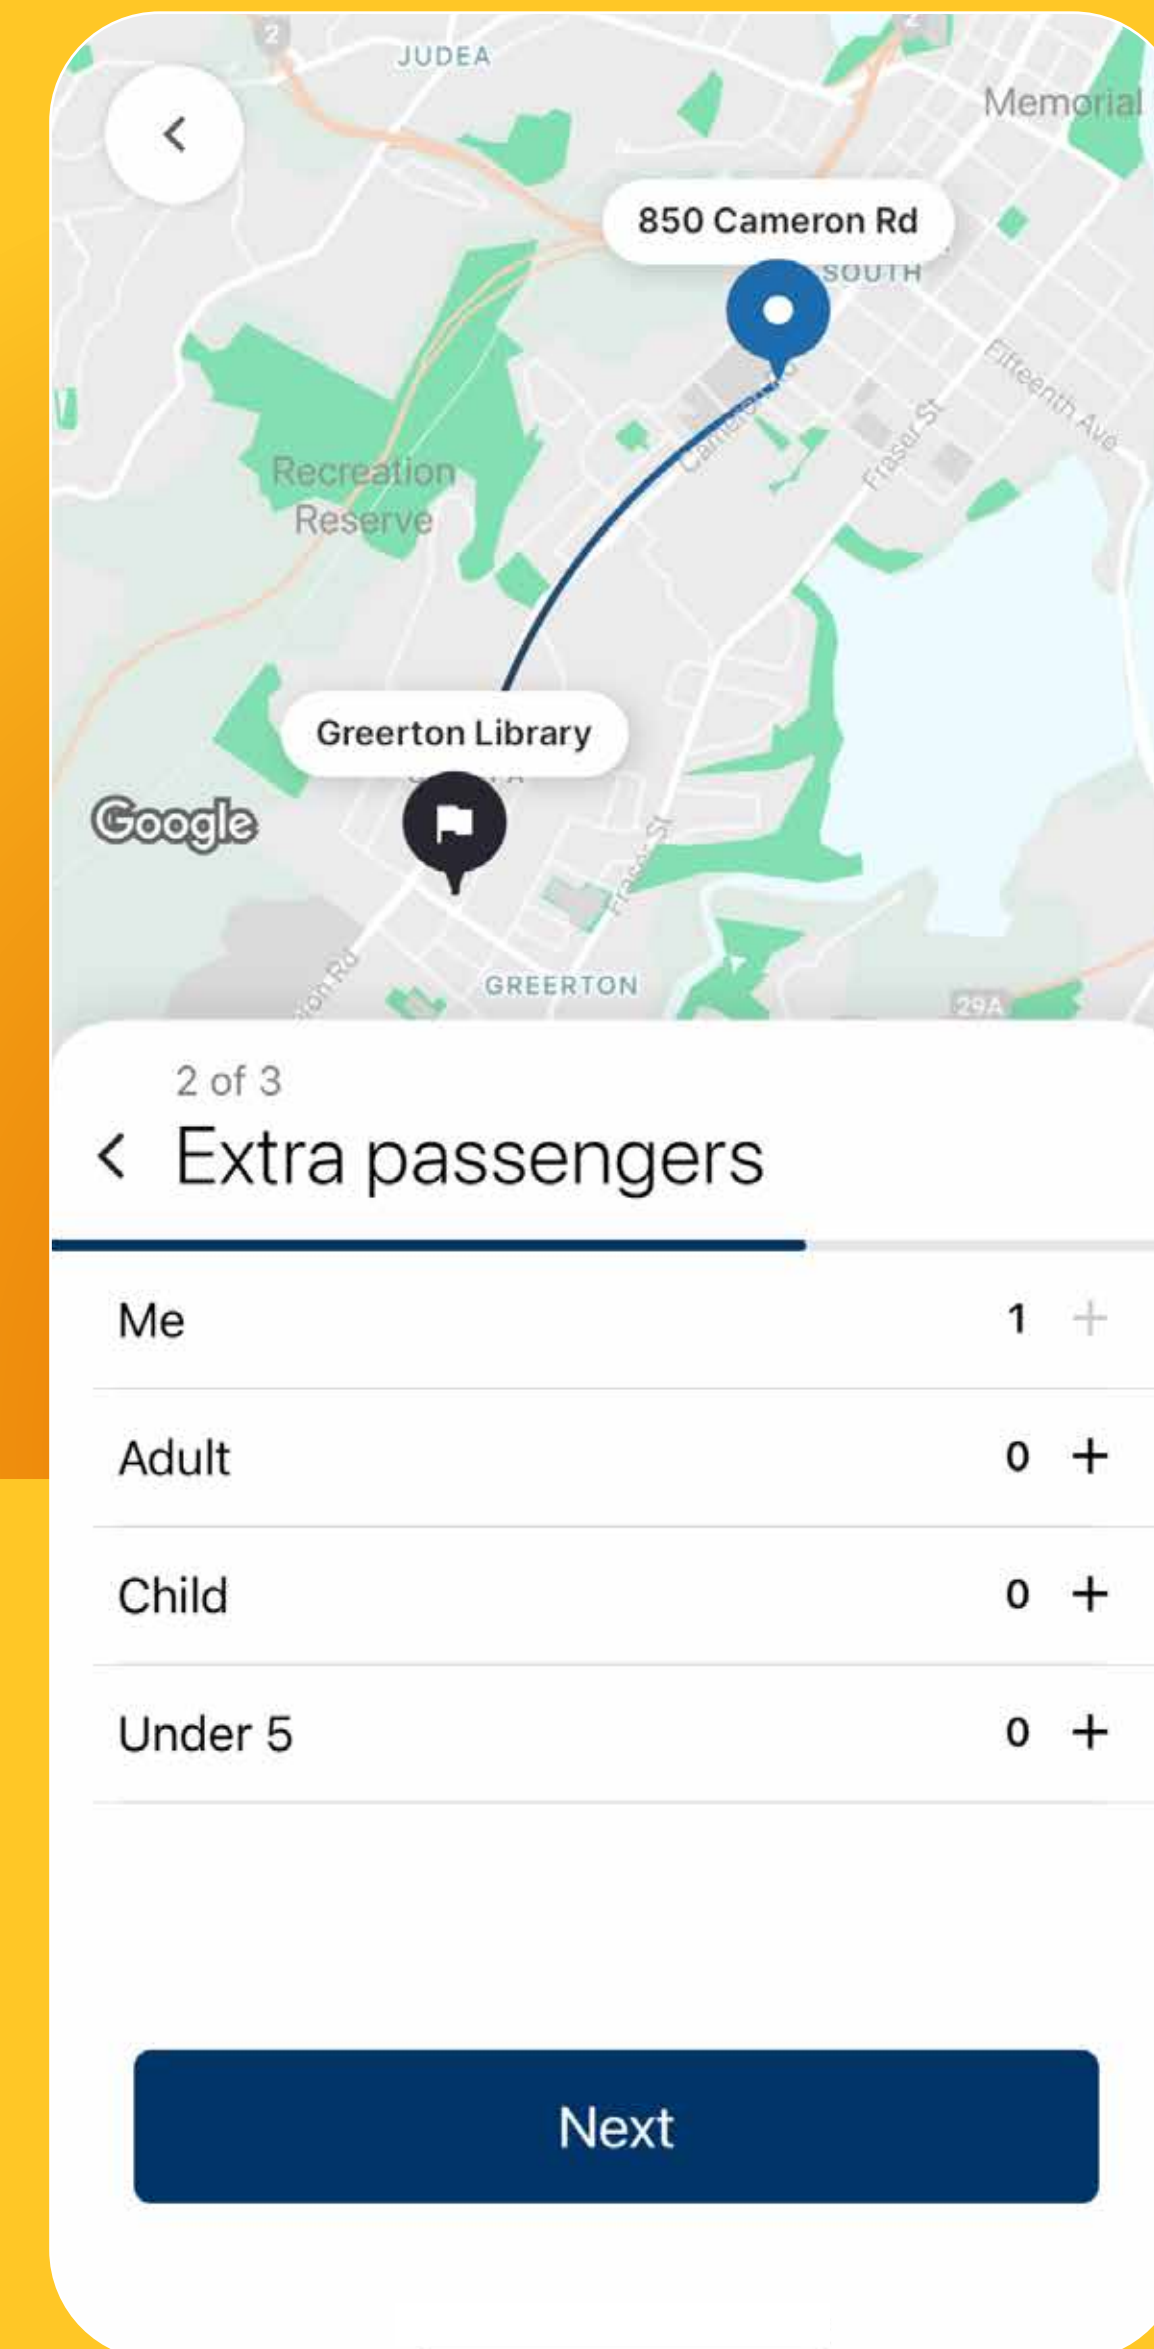

Step 9: Extra passengers.

Add additional
passengers by
clicking the + sign.

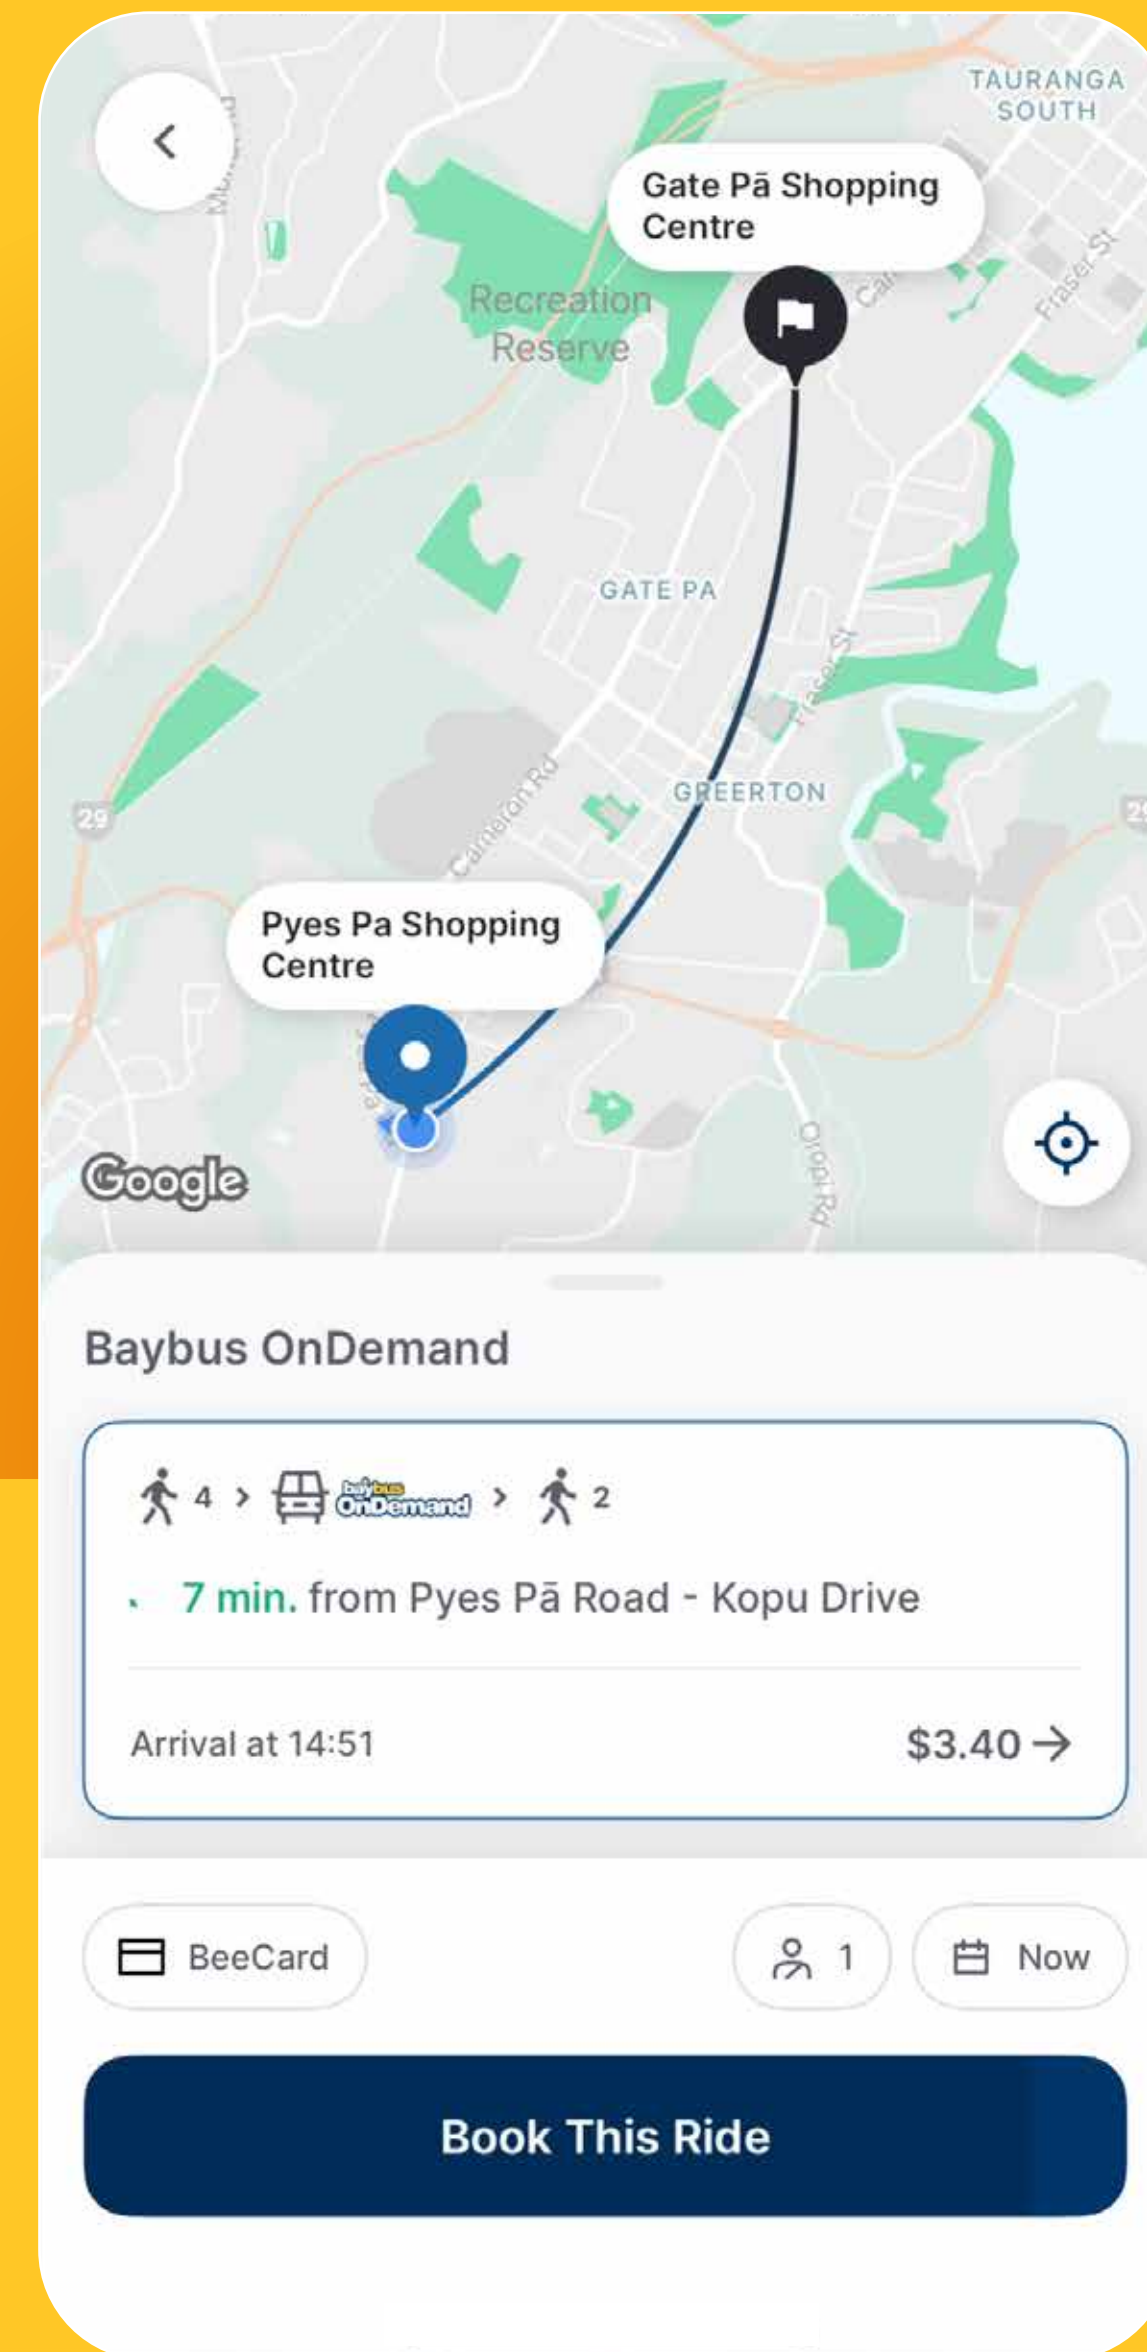

Specify the number of extra passengers and click **Next**.

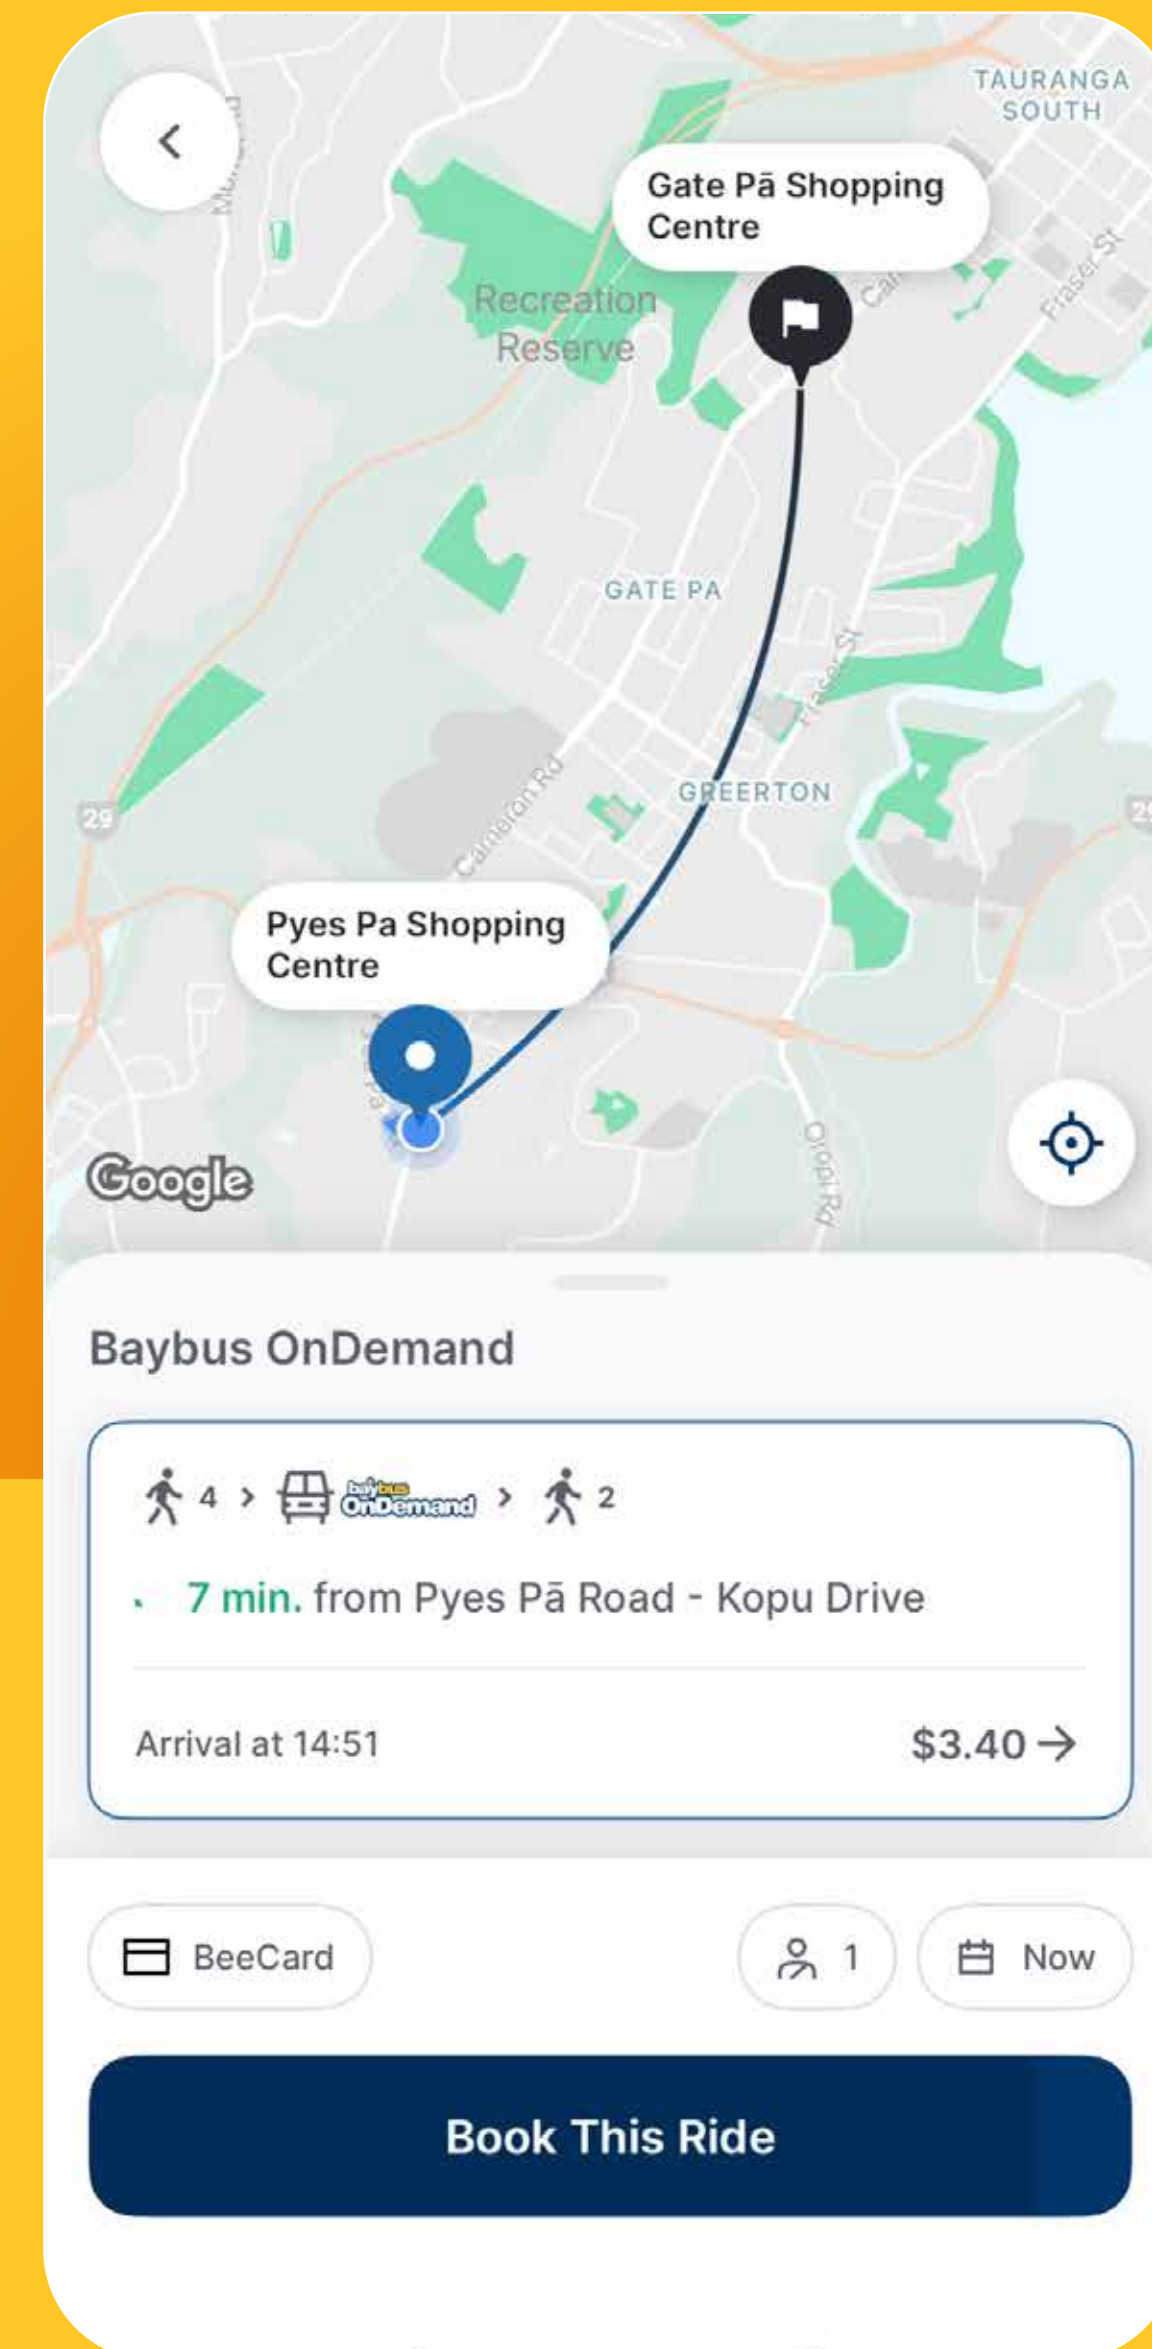

Step 10: Confirm or cancel a booking.

First, review your
booking details.

If everything is correct, click **Book this ride.**

To cancel, select **Cancel ride.**
