From 1 November 2020 all new Bee Cards will incur a \$5 cost. More information go to www.baybus/bee-card

HOW DO TRANSFERS BETWEEN BUSES WORK?

When using a Bee Card, transfers between buses are automatically applied. Customers will need to tag on and tag off for each part of the journey; the system will not charge you any extra providing your journey is within the transfer rules

1. Free transfers between buses apply for two hours from your first tag on to your final tag off.
2. The transfer time between buses can be no more than 30 minutes.
3. You can have a maximum of two free transfers per journey.

For cash fares:

1. Free transfers between buses apply for one hour from ticket purchase.
2. The transfer time between buses can be no more than 30 minutes.
3. You can have a maximum of one free transfer per journey.
4. You will need to present your ticket when transferring to the next bus.

HOW DO YOU GET A CONCESSION?

Concessions need to be loaded onto each card. Child concessions are loaded automatically when a card is registered. SuperGold card concessions can be loaded online or at a BOPRC office. Tertiary concessions can be loaded at a BOPRC office or via their tertiary institutes' student services.
