3. You can have a maximum of one free transfer per journey.
4. You will need to present your ticket when transferring to the next bus.

HOW TO USE THE BUS

CATCHING YOUR BUS

Bayhopper buses stop at marked bus stops only. Many bus stops are used by more than one route, so as the bus arrives check the route number and destination displayed on the front of the bus. **Please**

raise your arm as the signal to the driver that you want the bus to stop.

ON THE BUS

For your own safety and comfort, as well as those around you, please:

- Do not smoke, eat, or drink on the bus.
- If you're listening to music, use headphones.
- If the bus is busy, please offer your seat to someone who may need it more than you – for example someone who is older, pregnant or travelling with young children.
- No animals are permitted except accredited guide/assistance dogs.
- Violent, abusive or threatening behavior to others is prohibited.
- All goods are carried at the owner's risk.

ACCESSIBILITY

All Bayhopper buses are fully accessible with space on board for wheelchairs/prams. Wheelchairs take priority in the dedicated wheelchair space so

there may be times prams and walkers need to be folded.

LEAVING THE BUS

As the bus approaches your stop press the bell once and make sure you give the bus driver time to stop safely.

Before leaving the bus, please check you have all your belongings with you. Make sure children can exit safely and take care that loose clothing or backpacks cannot be caught on the doors.

RELAX
and enjoy being driven!
